

Agenda

Development of Water Laws: Quantity, Quality and Usage

K. Crawford

Development of the common law of water rights
Statutory and regulatory limits on the exercise of water rights
Federal, state and local regulators
Development of the law on water quality preservation
Comprehensive water planning

Update on PFAS and Other Contaminants in Water

J. King

Overview/history of PFAS
Regulatory efforts relating to PFAS
Other contaminants in water

Understanding South Carolina Surface Water Rights

J. King

Ownership of surface water
Regulation of surface water rights
Obtaining surface water rights
Application and permitting process
Amending surface water rights
Current issues in surface water rights

Ethical Issues in Water Law and Regulation

M. Shahid

Ethical issues related to ground water use
Ethical issues related to surface water discharge and use
208 Water Quality Management
Environmental Justice

Water Utility Regulation

C. Terreni

Types of water utilities
Regulation of utility service areas
Application and permitting process for service areas
Utility construction design standards and approvals
Current issues in utility service area regulation

Water Well Drilling Laws and Regulations

C. Blackburn

Standards
Permitting
High-capacity wells

Faculty

Karen Crawford *Attorney and Partner at Nelson Mullins Riley & Scarborough LLP*

Ms. Crawford practices in the areas of environmental law and litigation, toxic torts, and product liability. In 1997, the Institute of Professional Environmental Practice recognized Ms. Crawford as a Qualified Environmental Professional, a distinction awarded after 15 years’ experience and examination on a specific technical environmental project.

Jessica J.O. King *Attorney and Partner at Williams Mullen*

Ms. King focuses her practice on environmental legal issues. A former chief attorney for the Environmental Quality Control Division of the South Carolina Department of Health and Environmental Control (SCDHEC), she has substantial experience helping companies and individuals obtain environmental permits, perform due diligence and negotiate business transactions.

Mary Shahid *Attorney and Member at Nexsen Pruet*

Ms. Shahid served for a decade in the General Counsel’s office of the South Carolina Department of Health and Environmental Control, as chief counsel of the coastal permitting office. There she advised multiple permitting programs including the Office of Ocean and Coastal Resource Management, the Bureau of Water, the Mining Division, and the Solid Waste Management Division. Since leaving DHEC in 2002 she has represented land owners, utilities, real estate developers, industry, and local governments in permitting and compliance issues arising from regulation by DHEC, the U. S. Army Corps of Engineers, and zoning and land use authorities.

Charles L.A. Terreni *Attorney and Founder at Terreni Law Firm*

Mr. Terreni has practiced law in Columbia, South Carolina, since 1990. He is a 1990 graduate of the University of South Carolina School Of Law. He earned his B.A. degree in International Studies with a minor in French from the University of South Carolina in 1985. Mr. Terreni practiced with Cooper, Beard & Dibble (1990-91) and with the Dibble Law Offices from 1991 to 1995. He served as executive assistant to the Lieutenant Governor from 1995 to 1996. In 1996, he returned to private practice, opening the Terreni Law Firm, LLC. In 2004, Mr. Terreni was hired by the S.C. Public Service Commission as the Chief Clerk and Administrator, and he held this position until February of 2010 when he returned to private practice.

Charles Blackburn *Department Managing Attorney at Vernis & Bowling of Columbia*

Mr. Blackburn serves as department managing attorney for Vernis and Bowling as well as attorney for the South Carolina Midlands Foundation for Foster Children and the attorney for the South Carolina Groundwater Association. With experience in construction and as a former registered professional geologist, he has represented insurance companies, contractors and individuals as a civil litigation trial attorney specializing in construction and environmental law since 2000.

Seminar Information

Log into Webinar 8:00 - 8:30 am EDT	Break 12:00 - 1:00 pm EDT
Morning Session 8:30 am - 12:00 pm EDT	Afternoon Session 1:00 - 4:30 pm EDT

Tuition

\$299 for individual registration
\$199 for three or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

How to Register

- Visit us online at www.halfmoonseminars.org
- Mail-in or fax the attached form to 715-835-6066
- Call customer service at 715-835-5900

Webinars are presented via GoToWebinar. Instructions and login information will be provided in an email sent close to the date of the webinar. For more information, please visit our FAQ section of our website, or visit www.gotowebinar.com.

Cancellations: Cancel at least 48 hours before the start of the webinar, and receive a full tuition refund, minus a \$39 service charge for each registrant. Cancellations within 48 hours will receive a credit toward another webinar or the self-study package. You may also authorize another person to take your place.

Continuing Education Credit Information

This webinar is open to the public and is approved by the South Carolina Commission on CLE and Specialization for 6.5 CLE hours, which includes 1.0 ethics credit. Course approval for North Carolina attorneys is applied for and pending..

This seminar offers 6.5 PDHs to South Carolina professional engineers, to whom the subject matter is professionally relevant. Educators and courses are not subject to preapproval in South Carolina.

HalfMoon Education has applied for continuing education course approval from the South Carolina Board of Board of Registration for Geologists. Geologists are encouraged to confirm course approval prior to registering for this event. Current approval status is available at www.halfmoonseminars.org.

Participation will be monitored, and completion certificates will be available after the webinar for individuals who complete the entire event, respond to all the monitoring prompts and earn 80% on the quiz that follows the presentation (multiple attempts allowed).

Additional Learning

Webinar Series

Practical Engineering Economics

- Wed., July 8, 2020, 11:00 am – 2:45 pm CDT
- Thurs., July 9, 2020, 11:00 am – 2:45 pm CDT

Complying with the 2018 Residential International Energy Conservation Code

- Wed., July 8, 2020, 10:30 am – 3:00 pm CDT

Construction Cost Estimating and Value Engineering

- Fri., July 10, 2020, 8:30 am - 3:20 pm CDT

Geothermal Heating and Cooling: Technology and Applications

- Mon., July 13, 2020, 9:00 am – 4:30 pm CDT

2015 International Property Maintenance Code

- Mon., July 13, 2020, 11:00 am - 3:00 pm CDT
- Tues., July 14, 2020, 11:00 am - 3:00 pm CDT

Low Impact Development

- Wed., July 15, 2020, 8:30 am - 12:45 pm CDT
- Thurs., July 16, 2020, 8:30 - 11:25 am CDT
