John Palmer, BCMA PlanetCare Landscape and Arboricultural Services

Mr. Palmer is a consulting arborist, Board Certified Master Arborist by the International Society of Arboriculture, and an advanced tree risk assessor. He is an author, speaker, and trainer on subjects including The Future of Urban Forestry, Deforestation By Design™, The New Construction Paradigm, and The Leadership Laws of Nature. His focus is on trees in urban and construction environments, soil deficiencies and the importance of soils for sustainable mature trees, increasing urban tree canopies by ensuring trees live to maturity, and unsustainable landscape designs. His areas of expertise include young tree training, proper pruning and planting practices, biomechanics, soil and water management, urban forestry, tree biology, and healthy root system development.

Here's what past attendees had to say about the program and presenter John Palmer:

"John is one of two presenters in the last 30 years who has held my interest throughout an entire all day program." – Architect

"Excellent presentation & content. I especially appreciated all of the references in the material." – Civil Engineer
