

## Credit Information

### Total Series Credits:

Professional Engineers: 12.0 PDHs\*  
Land Surveyors: 12.0 PDHs\*

This webinar series is open to the public and each individual course offers 2.0 PDHs to engineers and 2.0 PDHs to land surveyors for a total of 12 PDHs in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130).

HalfMoon Education is an approved continuing education sponsor for land surveyors licensed in Indiana (License No. CE10600325), Maryland and North Carolina (S-0130).

The Florida Department of Agriculture and Consumer Services has approved each individual course in this series for 2.0 CE credits.

The Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Professional Landscape Architects has approved each individual course in this series for 2.0 PDUs.

The Tennessee Department of Commerce and Insurance, Board of Examiners for Land Surveyors has approved each individual course in this series for 2.0 PDHs.

HalfMoon Education is not seeking course approval for New Jersey or Delaware land surveyors.

Course completion certificates will be awarded to participants who complete the webinar in its entirety and earn a score of 80% on the quiz that follows the instruction (multiple attempts allowed).

\*Five of the six educational activities in this series have been evaluated and accredited by The Practicing Institute of Engineering for 2.0 PDHs each for a total of 10.0 PDHs. They are deemed approved for New York Engineers and Land Surveyors via this accreditation (Regulations of the Commissioner §68.14(i)(2)). The final course in the series, "Adverse Possession: When and How this Happens and How to Protect and Innocent Private Owner Against this Regulation" is not accredited by The Practicing Institute of Engineering, and thus is not approved for New York engineers or land surveyors.

**Added Value:** Enhance your learning - recordings of these webinars will be available for attendees to stream online for two weeks after the program dates. (Must attend live webinar to earn live webinar credits)
