### Plant Biology and Growth

Types of plants      Plant anatomy  
Plant physiology      Plant growth and lifecycles

### Trees and Site Design

Functions and features of trees  
Types of trees      Design considerations  
Planting practices      Maintenance

### Shrubs and Site Design

Functions and features of shrubs  
Types of shrubs      Design considerations  
Planting practices      Maintenance

### Perennials and Site Design

Functions and features of perennials  
Types of perennials      Design considerations  
Planting practices      Maintenance

### Annual Plants for Site Design

Functions and features of annuals  
Types of annuals      Design considerations  
Planting practices      Maintenance

### Site Planning for Healthy and Attractive Ecosystems

Setting site design goals  
Achieving design goals with plant selection,  
placement and planting  
Short-term and long-term results

### Presented by

**Dr. Michael A. Liptak** *Senior Ecologist, EnviroScience, Inc.*

Dr. Michael Liptak is a senior ecologist at EnviroScience, Inc, where he specializes in wetland ecology, wetland restoration, and mitigation wetland design. Dr. Liptak earned a B.S. degree in Biology at the University of Toledo and a Ph.D. degree in Environmental Science at The Ohio State University.

### Katherine Holmok, PLA, ASLA

*Director, Environmental Design Group*

Katherine G. Holmok is Director of Green & Blue Infrastructure at Environmental Design Group, where much of her experience has centered on stormwater control, weather resiliency, and pedestrian experiences in challenging urban sites.

---

### Tuition

**\$319** for individual registration  
**\$289** for two or more registrants from the same company at the same time.

**Included with your registration:** PDF seminar manual.

### Credit Information

This webinar is open to the public and is designed to qualify for 6.0 PDHs for professional engineers, 6.0 HSW continuing education hours for licensed architects, and 6.0 HSW continuing education hours for landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 6.0 LUHSWs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 6.0 HSW PDHs. Only full participation is reportable to the LA CES.

The International Society of Arboriculture has approved this course for the following CEUs: 5.0 Certified Arborist, Municipal Specialist, Climber Specialist, Aerial Lift Specialist; 3.0 BCMA Science; 2.0 BCMA Practice.

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed)
