Tuition per Webinar

\$319 for individual registration
\$289 for two or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

Faculty

International Mechanical Code 2021

William "Willby" Evans

New Mexico Building and Home Safety Alliance, Inc.

Mr. Evans is the managing partner for the New Mexico Building and Home Safety Alliance, LLC (NMBHSA), and the president of Southwest Training Alliance (SWTA), a not-for-profit workforce development company. He also serves as the safety and training manager for Albuquerque Plumbing Heating and Cooling, Inc., where he manages their registered plumbing and HVAC apprenticeship program. He has 30 years of experience in the mechanical and electrical trades. Mr. Evans provides third party evaluation and consulting for matters relating to contracting, the mechanical and electrical trades, and occupational safety and health. He also engages in speaking and instruction online and in person. Mr. Evans owned Amigo Mechanical, a fully licensed mechanical contracting company from 1999 to 2015, worked as the Commercial HVAC Manager for Albuquerque Plumbing Heating and Cooling, Inc., starting in 2016 and then partnering with them to form the NMBHSA and SWTA in 2019. He is soon to get his electrical contractors license (EE98) in New Mexico. Mr. Evans is a life-long New Mexican, raised in Las Cruces, and he speaks, reads, and writes fluent Spanish. He has been training professional adults since 2012.

International Plumbing Code 2021

Joseph Iliff, CBO

Building & Zoning Director for Village of Swansea, Illinois

Mr. Iliff has been a building official, building inspector, and city planner for more than 25 years, serving cities in Indiana, Texas, Missouri, and Illinois. He earned an undergraduate degree in urban planning and development from Ball State University. He holds certifications as a residential building inspector, building official, city planner, and floodplain manager. He has taught classes on the residential, building, and property maintenance codes with a focus on preparing students for certification exams and effective administration.
