Masonry	Steel
Wood	Glass and glazing

Chapters 27-29

Electrical, mechanical and plumbing systems

Presented by Michael Nier

Master Code Professional with Nier Building Inspections

Mr. Nier is a master code professional and holds 38 certifications from ICC and NFPA. He has over 25 years of technical and managerial experience in both private government partnerships, as well as within the traditional municipal government offices and within the construction industry. His work with various municipalities has included acting as chief building official for the startup of two cities in Georgia where he has done department set up, organization and implementation; plan review; permitting; code enforcement; field inspection; supervision of other inspections; staff reviews and employee training. Mr. Nier has served as a building official in numerous jurisdictions in Georgia, both as an interim as well as a primary official. He is past vice president of Northwest Georgia Inspectors Association and a member of the Fire Sprinkler Exam Development Committee for the International Code Council's Board for International Professional Standards. Mr. Nier has taught home inspection and code certification classes to municipal inspectors, home inspectors, remodelers and builders for over 10 years. He previously owned and operated a small "turn-key" remodeling company specializing in residential and light commercial buildings. Mr. Nier is past vice president of the Northwest Georgia Inspectors Association and a member of the Fire Sprinkler Exam Development Committee for the International Code Council.
