Identifying, Classifying and Locating Easements

- What *is* and *is not* an easement
- Reviewing state law on easements
- Creating easements: easements by necessity, easements by use, written easements
- Identifying critical distinctions between easements in gross, easements appurtenant and prescriptive easements
- Maintaining easements
- Knowing when and how to terminate easements
- Obstructing use of easements and determining remedies for obstruction

Ethical Issues in Land Transactions and Development

- Who is the client? Conflict of interest
- Self-dealing
- Fiduciary obligations: is there a duty to the public?

Conservation Easements in Minnesota

- Overview of conservation easements and related laws in Minnesota
 - Introduction, goals, parties
 - How conservation easements differ from and are similar to other types of easements
 - Brief history and current status of conservation easements in Minnesota
 - Advantages/disadvantages of conservation easements
 - Controlling laws and other conservation tools
- Drafting and negotiating conservation easements
 - Due diligence • Rights and responsibilities
 - Drafting and negotiating conservation easements
- After closing
 - Stewardship programs • Enforcement
 - Amendments and terminations or extinguishments
 - Condemnation and tax forfeiture

Understanding Eminent Domain Powers

- Source and history of eminent domain powers
- Types of eminent domain “takings” and a procedural overview
- Just compensation: valuing “taken” property
 - Direct damages versus severance damages
 - Other forms of compensation:
 - Loss of Going Concern; Minimum Compensation; Relocation Act; MN “Buy the Farm” Statute
- Current issues in eminent domain, including:
 - Access takings after Elbert
 - “Floating” easements • Contaminated property
 - Takings for public-private partnerships

Understanding Riparian and Water Rights

- History and development of riparian rights
- Determining land boundaries near the water line
- Determining access rights to surface waters
- Determining rights to groundwater
- Complying with regulations restricting access to and use of surface water and groundwater
- Alterations and encroachments
