## Working Under Ohio's

### Design Professional Licensing Laws

- Appropriate use (and non-use) of design professional seals
- Practice by design firms and non-designers
- Requirement to take responsible charge and/or supervise others
- Practicing outside areas of competence
- Discipline for violating license laws

## Using Green Stormwater Infrastructure and Complying with Stormwater Regulations

- Green Infrastructure for challenging sites
- Advanced stormwater management techniques
- Exploring new EPA proposed stormwater general permit

## Applying the Appropriate Barrier-Free Standards to Your Projects

- Determining which accessibility code and requirements apply to your project:
  - Americans with Disabilities Act Standards for Accessible Design
  - State/local building codes
  - Fair Housing Accessibility Guidelines
  - PROW accessibility guidelines
- Tips for meeting—and exceeding—accessibility codes
- The future of accessibility requirements

## Recognizing Your Rights, Responsibilities and Risks under Contracts

- Reviewing the necessary elements of any contract
- Understanding contract “legalese”
- Determining performance
- What constitutes a breach of contract?
- What are damages and remedies?
- Contract provisions: warranties, guarantees and indemnities
- Making changes to contracts

## Preventing and Resolving Ethical Issues on Ohio Construction Projects

- Identifying your duties to your client and other project participants
- Preventing conflicts of interest
- Preventing ethical issues in bidding and procurement
- The jobsite safety
- Maintaining quality and identifying defects and failures

## Seeking and Maintaining Diversity in Design and Construction Projects

### Environmental Site Assessments for Development Projects

- Purpose and components of ESAs
- Difference between ASTM ESAs and under state voluntary cleanup programs
- What must be addressed and what is not covered in a standard ESA
- Non-scope considerations (ACMs, LBP, radon, mold, lead in drinking water, wetlands, floodplains, endangered species, PFAS)
- Practical examples highlighting complexities

## Presented by

**Eric O. Pempus, FAIA, Esq., NCARB**

*DesignPro Insurance Group-A Wichert Insurance Agency*

**Katherine G. Holmok, PLA, ASLA** *Director of Green & Blue Infrastructure at Environmental Design Group*

**Jennifer Skulski** *Principal of Skulski Consulting LLC*

**Olaide A. Banks** *Principal Attorney at Banks & Associates*

**Gary Pasheilich**

*Shareholder in the Columbus office of Roetzel and Andress*

## Credit Information

This webinar is open to the public and is designed to qualify for 7.5 PDHs, including 1.0 ethics hour, for professional engineers, 7.5 HSW continuing education hours for licensed architects, and 7.5 HSW continuing education hours for landscape architects in Ohio.

HalfMoon Education is an approved continuing education sponsor for engineers and land surveyors in Indiana (License No. CE21700059 and CE10600325).

The American Institute of Architects Continuing Education System has approved this course for 7.5 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 7.5 HSW PDHs. Only full participation is reportable to the LA CES.

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

## Tuition

**\$319** for individual registration

**\$289** for two or more registrants from the same company at the same time.

**Included with your registration:** PDF seminar manual.

## Can't Attend? Order the Webinar as an On-Demand Package!

Recordings of this webinar are available for purchase. See details online for more information.
