- Storm drainage
- Special piping and storage systems
- Non-potable systems
- Irrigation systems
- Standards and appendices
- Questions and answers

Presented by David Barron

Mr. Barron has worked in the plumbing industry for over 20 years and has extensive experience in operations, training, repairs and maintenance. He has installed and repaired countless water service systems, water distribution systems, DWV systems, gas piping systems and gas/electric/tankless water heaters. He has also worked on thousands of plumbing maintenance (tune-ups) reports. Mr. Barron's professional licenses and certificates include Tennessee Limited License Plumber, Electrical Certificate, Major Appliance Repair Certificate, Universal EPA License, Certified Residential Water Heater Technician, Rinnai Certified Tankless Trainer (Level 3), Certified Cross Connection Tester, GasTite Qualified Installer, and TracPipe Counterstrike Qualified Installer. While he has a love for plumbing, Mr. Barron also enjoys spending time with my family kayaking and hiking the trails in Tennessee. Pickle Ball has recently become his favorite activity!

Tuition

\$319 for individual registration
\$289 for two or more registrants from the same company at the same time.

Included with your registration: PDF seminar manual.

Can't Attend? Order the Webinar as an On-Demand Package!

Recordings of this webinar are available for purchase. See details online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Credit Information

This webinar is open to the public and is designed to qualify for 6.0 PDHs for professional engineers and 6.0 HSW continuing education hours for licensed architects in Tennessee.

The American Institute of Architects Continuing Education System has approved HalfMoon Education as a sponsor of continuing education (Sponsor No. J885). This course has been submitted for AIA CES approval and is currently pending. Only full participation is reportable to the AIA CES.

The International Code Council has approved this event for .6 CEUs in the specialty area of Building (Preferred Provider No. 1232).

Visit this course listing at www.halfmoonseminars.org for updates on pending credits. Completion certificates will be awarded to participants who complete this event and earn a passing score (80%) on the quiz that follows the presentation (multiple attempts allowed).

On-Demand Credits

The preceding credit information only applies to the live presentation. This course in an on-demand format may not be eligible for the same credits as the live presentation; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:

6.0 HSW LUs (AIA)
