# **Credit and Webinar Information**

#### **Continuing Education Credit Information**

See each course listing for the type and amount of each continuing education credit available. Individual courses for engineers and architects are not subject to preapproval. HalfMoon Education does not apply for landscape courses in NJ or land surveyor courses in NJ or DE, unless expressly stated.

#### **HalfMoon Education Certifying Entities**

American Institute of Architects Continuing Education System (No. 1885)

International Code Council (No. 1232)

Landscape Architecture Continuing Education System

American Institute of Certified Planners (AICP)

Boards of Engineering: Florida (No. 0004647), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700), and North Carolina (No. S-0130).

Course-by-Course Providers:

Association of State Floodplain Managers

International Society of Arboriculture

Society of American Foresters

HalfMoon Education is deemed a New York-approved continuing education provider for engineers, architects, and landscape architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2), §69.6(i)(2), and §79-1.5(i)(2)). Only AIA HSW-approved courses qualify for New York engineer and architect credit.

Completion certificates will be awarded to participants who complete these events, and earn a passing score (80%) on the guiz that follows the presentation (multiple attempts allowed).

#### **Webinar Instructions**

Each webinar session earns continuing education credit and can be registered for individually. All attendees must log-on through their own email – attendees may not watch together on the same device if they wish to earn continuing education credit. HalfMoon Education Inc. must be able to prove attendance if either the attendee or HalfMoon Education Inc. is audited.

Certificates of completion will be available for download and printing upon completion of a follow-up guiz with at least 80% accuracy (multiple attempts allowed).

Webinars are presented via **GoToWebinar**, an easy-to-use application that can be run on most systems and tablets. Instructions and login information will be provided in an email sent close to the date of the webinar. It is highly recommended that you download, install and test the application before the webinar begins by clicking on the link in the email.

### Can't Attend? Order Most of These Webinars as Self-Study Packages!

Recordings of most webinars are available for purchase. Visit us online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

# Catalog Online Webinars Webinar Short Live, Interactive November

Nine

HalfMoon Education Inc. PO Box 278 Altoona, WI 54720-0278

# **November Short Webinar Catalog**

**Nine Live, Interactive Online Webinars** 

To register, visit us online at www.halfmoonseminars.org

Have questions or wish to register by phone? Give us a call at 715-835-5900 and press 1 for Customer Service.

Special Offer: Use Coupon Code NOVSHORT23 at checkout online to receive 25% off tuition when you spend \$400 or more on the programs listed in this brochure.

# **HalfMoon Education Live Webinars**

# November **Short Webinar Catalog**

Nine webinars that each take a look at a single subject

- 1. Deep Dive: Unlocking the Mysteries of Native Plant Selection
- 2. Advanced Pavement Materials
- 3. Construction and Demolition Waste Management
- 4. Living Shoreline Practices: Improving Ecosystems and Climate Resiliency
- 5. How to Use Berms and Swales for Stormwater Infiltration
- 6. Landscaping for Pollinators
- 7. Living Soils: Science, Development and Preservation
- 8. Solar Site Assessments
- 9. Handling Ethical Issues in Construction

To register, visit us online at www.halfmoonseminars.org

or call our Customer Service Department at (715) 835-5900

# 1. Deep Dive: Unlocking the **Mysteries of Native Plant Selection**

Wednesday, November 1, 2023 | 9:00 - 11:00 am CDT

Tuition: \$109

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours

AIA: 2.0 LU|HSW\* Landscape Architects: 2.0 HSW CE Hours LA CES: 2.0 HSW PDHs\*

Certified Planners: CM | 2\*\*

**Agenda Highlights:** 

Best practices for informed native plant selection

Pros and cons of native species plants vs. native cultivars ("nativars")

The realities of native plant propagation - genetic diversity vs. genetic clones

Proper use of dioecious native plants for ecological support

Monoecious natives that need pollination partners

Dwarf native cultivars – ecologically-useful or not?

Local ecotype plants – rationale and sourcing

The benefits and trade-offs of different plant formats (seeds, plugs, pots, B&B)

**Presented by Kim Eierman** Founder of EcoBeneficial LLC

23 USDDNTVP 11 1 WEBR LH

Tuition: \$109

# 2. Advanced Pavement Materials

Thursday, November 2, 2023 | 2:00 - 4:00 pm CDT

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours

AIA: 2.0 LU | HSW\* Landscape Architects: 2.0 HSW CE Hours LA CES: 2.0 HSW PDHs\*

International Code Council: .2 CEUs (Sitework)\*\*

Agenda Highlights:

Sustainability and resilience factors

Designing with innovative and specialized materials

Engineering characterization Theoretical principles

Practical examples

Presented by Mohammad Shafiee, PhD, P.Eng.

Associate Researcher at the National Research Council Canada's Construction Research Centre

23 USAPVMTM 11 2 WEBR LH

# 3. Construction and Demolition

**Waste Management** 

Friday, November 3, 2023 | 10:00 am - 12:00 pm CDT

Tuition: \$109

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours AIA: 2.0 LU | HSW\* International Code Council: .2 CEUs (Sustainability)\*\*

Agenda Highlights:

Magnitude of construction waste generation in the U.S.

Public and private efforts to reduce construction waste

Economic and environmental impacts of keeping construction waste out of the landfill

Strategies: recycling, reuse, deconstruction/salvage, and reduction

Markets for wood, concrete, metal, glass, and building components; variability and location

Best practices to succeed in construction waste management

Educating teams, maintaining consistency, and dealing with common problems

Presented by Daniel Hartsig, TRUE Advisor (Zero Waste), LEED AP BD+C, OM

Director of Project Management, WasteCap Resource Solutions

23 USCDWSTM 11 3 WEBR SC

www.halfmoonseminars.org

# 4. Living Shoreline Practices: **Improving Ecosystems and Climate Resiliency**

Monday, November 13, 2023 | 2:30 - 4:30 pm CST

Tuition: \$109

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours

AIA: 2.0 LU|HSW\* Landscape Architects: 2.0 HSW CE Hours LA CES: 2.0 HSW PDHs\* Floodplain Managers: 2.0 ASFPM CECs Certified Planners: CM | 2\*\*

#### Agenda Highlights:

Using marsh sills and tidal benches

Creating salt marshes and oyster reefs

Vegetated sand dunes Coarse sediment (gravel, cobble) beaches

Case studies in controlling erosion and creating living shorelines

#### Presented by Robert (Bob) T. Battalio, PE

Senior Engineer, Vice President at Environmental Science Associates

23 USLSHRLP 11 13 WEBR CP

# 5. How to Use Berms and Swales for Stormwater Infiltration

Tuesday, November 14, 2023 | 9:00 - 11:00 am CST

Tuition: \$109

Credits: Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours

AIA: 2.0 LU | HSW\* Landscape Architects: 2.0 HSW CE Hours LA CES: 2.0 HSW PDHs\* Floodplain Managers: 2.0 ASFPM CECs

#### Agenda Highlights:

Stormwater management objectives

Slowing the flow of stormwater

Facilitating infiltration

Using vegetated swales to meet stormwater objectives

Types of swales

Benefits and drawbacks

Applications for swales

Applications for berms

Design and construction of swales

Using infiltration berms to meet stormwater objectives Types of berms

 Benefits and drawbacks Design and construction of berms

Case studies

Presented by Steven D. Trinkaus Principal at Trinkaus Engineering, LLC, in Southbury, CT

23 USH2RSSI 11 14 WFRR I I

# **6. Landscaping for Pollinators**

Wednesday, November 15, 2023 | 10:00 am - 12:00 pm CST Tuition: \$109

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours AIA: 2.0 LU | HSW\* Landscape Architects: 2.0 HSW CE Hours LA CES: 2.0 HSW PDHs\*

#### Agenda Highlights:

Recognizing common pollinators

· Training your eye to see pollinator diversity, as a first step to planning a robust pollinator landscape

Ten principles for landscaping for pollinators

- General principles to anchor any landscape design
- Tying things together in landscape design

Managing pests and weeds to promote pollinators

- Identifying red-flag pollinator plants and substitutes of equal value to pollinators
- Reading pesticide labels in order to identify treatments of high-risk to pollinators
- Examples of exemplary pollinator landscapes

#### **Presented by Andony Melathopoulos**

Assistant Professor - Pollinator Health Extension, Oregon State University

\*Live course approval. Pre-approval for on-demand format may be available upon request.

23 USFOL4PN 11 15 WEBR WL

\*\*Live course approval. Not approved for on-demand format.

# 7. Living Soils:

# Science, Development and Preservation

Monday, November 20, 2023 | 11:00 am - 2:00 pm CST Tuition: \$159

Credits: Professional Engineers: 3.0 PDHs Landscape Architects: 3.0 HSW CE Hours

LA CES: 3.0 HSW PDHs\*

#### **Agenda Highlights:**

What is healthy soil?

General benefits of soil health/issues with unhealthy soils

Soil quality and indicators How soil indicators are measured in field and lab

Developing living soils Increasing plant diversity Maintaining soil cover Reducing soil disturbance Cover crops Impacts of soil disturbance

Managing plant nutrients Common urban resource concerns

Urban conservation practices NRCS urban programs

#### Presented by

Meagan Hynes, PhD, CPSS Talus Soil Consulting

Nathan Jones State Soil Scientist

Annie Konjevoda State Urban Conservation Program Manager (California)

**Hudson Minshew** State Conservation Agronomist

23 USLVSOIL 11 20 WEBR PW

Tuition: \$109

# 8. Solar Site Assessments

Tuesday, November 28, 2023 | 1:00 - 3:00 pm CST

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours AIA: Pending\* International Code Council: .2 CEUs (Energy)\*\*

#### Agenda Highlights:

Site considerations

Expected energy output and estimated systems cost

Return on investment Energy benchmarks

#### Presented by Heather Gavle Holdridge, LEED Fellow, EIT, Associate AIA

Sustainability Director at Lake | Flato Architects

23 USH2SLSA 11 28 WEBR TD

Tuition: \$109

## 9. Handling Ethical Issues in Construction

Thursday, November 30, 2023 | 2:00 - 4:00 pm CST

**Credits:** Professional Engineers: 2.0 PDHs Architects: 2.0 HSW CE Hours AIA: 2.0 LU | HSW\* International Code Council: .2 CEUs (Administration)\*\*

#### **Agenda Highlights:**

Avoiding ethical issues during the bidding process

Gifts, favors and the appearance of impropriety

Your duties to your employer, the project owner, and other project participants

Adopting practices that minimize ethics issues

The ethics of safety: fulfilling duties to employees and the public

Incorporating environmental ethics and sustainability into construction and development projects

Presented by Doug Holthus Partner, Freeman Mathis & Gary LLP

23 USHETHIC 11 30 WEBR AM
