# Faculty

**Pam Stacy King** *Dover, Kohl & Partners, Coral Gables, FL*  
Ms. King is Congress for the New Urbanism (CNU) Accredited, directs projects at every scale drawing on a background in both Planning and Architecture. Pam focuses on form-based codes, comprehensive plans, master plans, and architectural standards and has experience throughout the United States and internationally. When not directing projects, Pam is the lead designer on illustrative plans working closely with the public to help envision more walkable and sustainable futures. Prior to joining Dover-Kohl in 2006, Pam worked designing homes and community buildings, producing construction documents, working with municipalities to get projects approved and working with construction managers on-site; both are skills that give her a valuable perspective when creating new master plans and form-based codes. Pam received her Bachelor of Architecture and her Master of Architecture in Suburb and Town Design from the University of Miami. She is a certified Charrette planner and is CNU accredited.

**Jason King** *Dover, Kohl & Partners, Coral Gables, FL*  
Mr. King, AICP, Congress for the New Urbanism (CNU) Accredited, is a city planner and has directed multidisciplinary teams around the country and world. He has served as the project director and prime author on over 200 plans for cities, towns, neighborhoods, and corridors. He is a Principal at Dover, Kohl & Partners of Miami. Jason's work has focused on social, economic, and climate change resilience. Jason authored two books: *The Climate Planner: Overcoming Pushback Against Local Mitigation and Adaptation Plans* (2021) and *The Equity Planner: Five Tools To Facilitate Economic Development with Just Outcomes* (2023). Jason's work is also featured in numerous planning texts such as *Sustainable Urbanism* (2007), *Form-Based Codes* (2008), and *Street Design* (2014), and he has been interviewed by the *New York Times*, *Planning Magazine*, and *National Public Radio*.

# Credit Information

This webinar is open to the public and is designed to qualify for 6.0 PDHs for professional engineers, 6.0 HSW continuing education hours for licensed architects, and 6.0 HSW continuing education hours for landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider License No: CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers, architects, and landscape architects via its registration with the American Institute of Architects Continuing Education System and Landscape Architecture Continuing Education System (Regulations of the Commissioner §68.14(i)(2), §69.6(i)(2) and §79-1.5(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved HalfMoon Education as a sponsor of continuing education (Sponsor No. J885). This course has been submitted for AIA CES approval and is currently pending. Only full participation is reportable to the AIA CES. Visit this course listing at [www.halfmoonseminars.org](http://www.halfmoonseminars.org) for updates on pending credits.

The Landscape Architecture Continuing Education System has approved this program for 6.0 HSW PDHs. Only full participation is reportable to the LA CES. HalfMoon Education is an approved CM Provider with the American Planning Association. This course is registered for CM | 6 for Certified Planners.

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

**On-Demand Credits**  
The preceding credit information only applies to the live presentation. This course in an on-demand format may not be eligible for the same credits as the live presentation; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:  
6.0 HSW LUs (AIA)  
6.0 HSW PDHs (LA CES)
