# Faculty

**Gala Magriñá, WELL AP, CFSP, HDI**  
*Principal at Gala Magriñá Design based in New York City*  
Ms. Magriñá has given numerous talks for venerable groups such as Business of Home, Goop and Ralph Lauren. She challenges audiences with A-Z out of the box thinking, helps expand guest awareness, raises the energy in the room and inspires people with her insight. Her goal is to change the world one space and conversation at a time. Gala's belief is that if we create mindful environments that have the power to heal and push us to be better versions of ourselves. In doing so we are elevating individual consciousness and in turn, the collective conscious.

**Heather Holdridge EIT**  
*Associate AIA LEED Fellow, Associate Partner, Sustainability Director*  
Heather Gayle Holdridge, LEED Fellow, EIT, Associate AIA is the Sustainability Director at Lake|Flato Architects. Leveraging her background in mechanical engineering, Heather directs all Lake|Flato teams in establishing sustainability goals. She devises strategies and systems to realize those goals under programs such as LEED, the 2030 Challenge, and the Living Building Challenge. Heather works closely with teams to evaluate passive systems and performs energy modeling throughout the design process. She received a Bachelor of Science degree in Mechanical Engineering from The University of Texas at Austin and a Master of Business Administration degree from The University of Texas at San Antonio.

# Credit Information

This webinar is open to the public and is designed to qualify for 7.0 PDHs for professional engineers and 7.0 HSW continuing education hours for licensed architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider License No: CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00000700) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers and architects via its registration with the American Institute of Architects Continuing Education System (Regulations of the Commissioner §68.14(i)(2) and §69.6(i)(2)). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 7.0 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved this event for .7 CEUs in the specialty area of Building (Preferred Provider No. 1232).

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

**Kristi Avalos** *President and CEO of Accessology Too, LLC*  
Ms. Avalos is a nationally renowned leader in providing accessibility-related services and is a sought-after speaker with a knack for using an upbeat approach to help others understand the complexities of compliance with the Americans with Disabilities Act (ADA). With over 40 years of experience, she provides expert witnessing on ADA, 504, Federal Housing Administration, and Air Carrier Access Act legal cases. In 1990 she founded Accessology Too, LLC which is a national leader in providing accessibility consulting services and is one of the largest U.S. firms dedicated solely to accessibility and access issues. Since its founding, Accessology has worked closely with the Department of Justice and the U.S. Access Board to remain knowledgeable and adept with the constant changes that occur regarding ADA guidelines. Accessology has worked on numerous multi-million dollar projects to impact accessibility compliance during all stages from schematics to construction and final inspections. Since 2005 Accessology has specialized in the development, execution, and monitoring of the required ADA Transition Plans for Title II entities to help them avoid access-related litigation since so much litigation is tied to not having a Transition Plan on file. Ms. Avalos and her team at Accessology are committed to removing structural and attitudinal barriers that adversely impact people with disabilities.
