Faculty

Robert J. Schutz *Retired Building Official with the City of Columbus, Ohio*
Mr. Schutz is a retired building official with the City of Columbus, Ohio. He was previously a senior staff engineer with the International Code Council in product development after several years as their manager of instructors in the ICC Training & Education Department. Mr. Schutz has also served as an assistant architect administrator at the Ohio Board of Building Standards. While with the State of Ohio, he oversaw the new Residential Code of Ohio program, including certification of local residential code departments and personnel. His varied previous experiences include active duty Army and Ohio National Guard experience as a combat engineer officer; building code enforcement for several central Ohio jurisdictions, including ten years as chief building official (CBO) for the City of Powell where he also served as city engineer and director of public services; and chief engineer for the Ohio Department of Health, where Mr. Schutz chaired the state's plumbing advisory board, was chief of plumbing and was a voting member on the Ohio Board of Building Standards.

Credit Information

This seminar and simultaneous webinar are open to the public and are designed to qualify for 7.0 PDHs for professional engineers and 7.0 HSW continuing education hours for licensed architects in Ohio.

The American Institute of Architects Continuing Education System has approved this course for 7.0 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved this event for .7 CEUs in the specialty area of Building (Preferred Provider No. 1232).

The Ohio Board of Building Standards has approved this course for the following certifications: BI(7.0), BO(7.0), BPE(7.0), EPE(7.0), ESI(7.0), FPI(7.0), FPPE(7.0), MPE(7.0), MI(7.0), MechPE(7.0), NRIUI(7.0), PI(7.0), PPE(7.0), RBI(7.0), RBO(7.0), RIUI(7.0), RMI(7.0), RPE(7.0)

Attendance will be monitored, and attendance certificates will be available after the course for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

On-Demand Credits
The preceding credit information only applies to the live presentation. This course in an on-demand format is not pre-approved by any licensing boards and may not qualify for the same credits; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:
7.0 HSW LUs (AIA)

Can't Attend? Order the Webinar as an On-Demand Package!
Recordings of this webinar are available for purchase. See details online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Additional Learning

Ohio Highway and Utility Rights-of-Way
Friday, March 15, 2024 | 9:00 am - 4:00 pm EDT
