

# Credit Information

### Innovations in Edible Landscaping

This webinar is open to the public and is designed to qualify for 3.0 PDHs for professional engineers, 3.0 HSW continuing education hours for licensed architects, and 3.0 HSW continuing education hours for landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider License No: CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00049300) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers, architects and landscape architects via its registration with the American Institute of Architects Continuing Education System (AIA/CES) and the Landscape Architecture Continuing Education System (LA/CES). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 3.0 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 3.0 HSW PDHs. Only full participation is reportable to the LA CES.

**On-Demand Credits:** The preceding credit information only applies to the live presentation. This course in an on-demand format is not pre-approved by any licensing boards and may not qualify for the same credits; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request: 3.0 HSW LUs (AIA), 3.0 HSW PDHs (LA CES)

### Mature Tree Management

This webinar is open to the public and is designed to qualify for 2.0 PDHs for professional engineers, 2.0 HSW continuing education hours for licensed architects, and 2.0 HSW continuing education hours for landscape architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider License No: CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00049300) and North Carolina (S-0130). HalfMoon Education is deemed an approved continuing education sponsor for New York engineers, architects and landscape architects via its registration with the American Institute of Architects Continuing Education System (AIA/CES) and the Landscape Architecture Continuing Education System (LA/CES). Other states do not preapprove continuing education providers or courses.

The American Institute of Architects Continuing Education System has approved this course for 2.0 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 2.0 HSW PDHs. Only full participation is reportable to the LA CES.

The International Society of Arboriculture has approved this event for the following CEUs: 2.0 Certified Arborist, Utility Specialist, Municipal Specialist, Climber Specialist, Aerial Lift Specialist; 2.0 BCMA Management.

**On-Demand Credits:** The preceding credit information only applies to the live presentation. This course in an on-demand format is not pre-approved by any licensing boards and may not qualify for the same credits; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request: 2.0 HSW LUs (AIA) 2.0 HSW PDHs (LA CES)

*Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).*

## Presented by Justin Rohner *Founder of Agriscaping Technologies, Gilbert, AZ*

Mr. Rohner is the founder of Agriscaping Technologies, which started in 2001 as a hobby business that turned full time career. He is a leader in innovative, agriculturally integrated landscape design, consulting, and training. His work focuses on transforming the way we use local resources for agricultural production in elegant and sustainable ways. Mr. Rohner is engaged in the creation, promotion, and support of the next new technologies in sustainable local agriculture through landscapes. He holds a bachelor’s degree in Bioengineering and a master’s degree in Psychology.

- Monitoring and Record Keeping
- End of Life Care

## Presented by Logan House, BCMA *Peachtree Arborists*

Mr. House is a Board-Certified Master Arborist and president of the Georgia Arborist Association, the Georgia chapter of the ISA. Currently, he works for Peachtree Arborists, a tree care network specializing in tree maintenance plans. Mr. House has worked for other private tree companies, the Georgia Forestry Commission, and the U.S. Fish and Wildlife Service to help communities achieve a variety of natural resource goals, all related to trees and habitat. He has a dual bachelor of science degrees in Forestry and in Parks, Recreation, and Tourism Management.
