

# Faculty and Credit Information

Presented by **Joseph Iliff, CBO** Building Inspector for SAFEbuilt, Inc.

Mr. Iliff has been a certified building official for more than 10 years serving communities in Texas, Illinois, and Missouri. He has taught classes on the residential, building, and property maintenance codes with a focus on preparing students for certification exams and effective administration. Mr. Iliff has more than 30 years of experience and certifications as a city planner, floodplain manager, and code enforcement officer. He earned an undergraduate degree in Urban Planning and Development from Ball State University.

## Continuing Education Credit Information

These webinars are open to the public and are designed to qualify for 4.0 PDHs for professional engineers and 4.0 HSW or Non-HSW continuing education hours for licensed architects in all states that allow this learning method. Please refer to specific state rules to determine eligibility.

HalfMoon Education is an approved continuing education sponsor for engineers in Florida (Provider No. CEA362), Indiana (License No. CE21700059), Maryland, New Jersey (Approval No. 24GP00049300) and North Carolina (S-0130). The second course does not qualify for engineers or architects in New York or in states which require HSW coursework.

The American Institute of Architects Continuing Education System has approved these courses for 4.0 LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The International Code Council has approved these events for .4 CEUs in the specialty areas of Building, Administration, Fire, or Accessibility (depending on course) (Preferred Provider No. 1232).

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

## On-Demand Credits

The preceding credit information only applies to the live presentations. These courses in an on-demand format may not be eligible for the same credits as the live presentation; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request:
