Tuition

\$339 for individual registration.

\$237 per attendee for group registrations of two or more people registering at the same time for the same program.

That's a savings of 30 percent!

Included with your registration: PDF seminar manual.

Presented by Hank Tolman

Certified Professional in Erosion and Sediment Control (CPESC)

Mr. Tolman is the president and owner of AccenaGroup, a company that has served Utah and surrounding states as stormwater plan and consulting experts since 2007. His industry certifications include QSWPPP, Utah RSI, CISEC, and CPESC. Mr. Tolman has presented several times at American Public Works Association (APWA) conferences, CASQA, Stormcon, and other industry conferences. He has consulted on U.S. Environmental Protection Agency and Utah State consent decrees and regularly guest lectured for construction management classes at Brigham Young University and Utah Valley University.

Recordings of this webinar are available for purchase. See details online for more information and please refer to specific state licensing rules or certification requirements to determine if this learning method is eligible for continuing education credit.

Credit Information

This webinar is open to the public and is designed to qualify for 6.0 PDHs for professional engineers, 6.0 HSW continuing education hours for licensed architects, and 6.0 HSW continuing education hours for landscape architects in Utah.

The American Institute of Architects Continuing Education System has approved this course for 6.0 HSW LUs (Sponsor No. J885). Only full participation is reportable to the AIA/CES.

The Landscape Architecture Continuing Education System has approved this course for 6.0 HSW PDHs. Only full participation is reportable to the LA CES.

The Association of State Floodplain Managers has approved this course for 6.0 CECs for floodplain managers.

Attendance will be monitored, and attendance certificates will be available after the webinar for those who attend the entire course and score a minimum 80% on the quiz that follows the course (multiple attempts allowed).

On-Demand Credits: The preceding credit information only applies to the live presentation. This course in an on-demand format is not pre-approved by any licensing boards and may not qualify for the same credits; please consult your licensing board(s) to ensure that a structured, asynchronous learning format is appropriate. The following pre-approvals may be available for the on-demand format upon request: 6.0 HSW LUs (AIA), 6.0 HSW PDHs (LA CES)
