

## Corresponding Primer level works by Robert Cavally

### Primer level method book

Let's Play the Flute (HL00970161)

### Primer level studies

Giuseppe Gariboldi – Thirty-Two Instructive Studies (HL00970020)

### Primer solo collections for flute and piano

Solos for the Debutante Flutist (HL00970040)

Seven Artistic Solos – with easy accompaniments (HL00970009)

***Many works can be utilized at more than one level of development. The levels indicated in this list of solos and ensembles should be used as a basic guideline in choosing repertoire, but not restrictive to that level.***

***Collections in particular often contain works at varying levels of difficulty. Teachers as well as students should also remember that some works are more difficult tonally than technically.***
