

Light the World

When you shine your best at home, you light the house.
When you shine your best at school, you light the school.
When you shine your best as a citizen, you light the country.
And when you shine your best on everything you do, day-to-day,
week-to-week, month-to-month and year-to-year, you light the world!

Words and Music by
JOHN JACOBSON and MAC HUFF
Arranged by MAC HUFF

mf

Light the world_ this hol - i - day sea - son, light the world._
