(8 measure introduction)

Sparkling

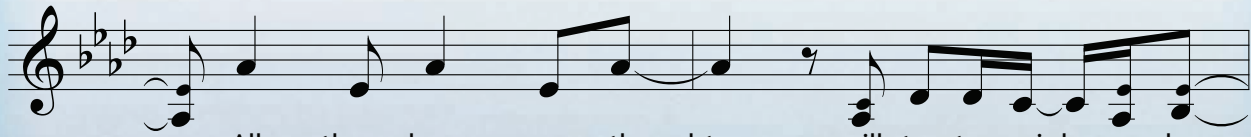

Opt. Solo 1 *mf*

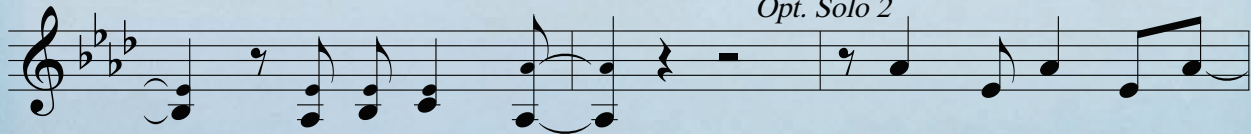

Close your tired eyes, re-lax, and then
Gaze in to my eyes when the fi-re starts.

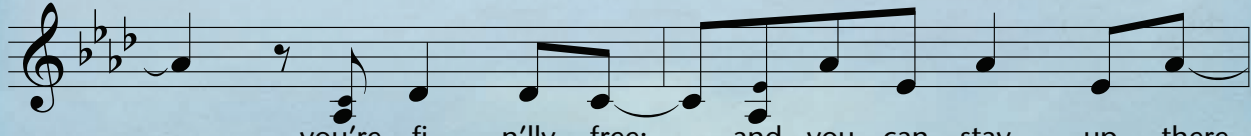

count from one to ten and o-pen them.
and fan the flame so hot, it melts our hearts.

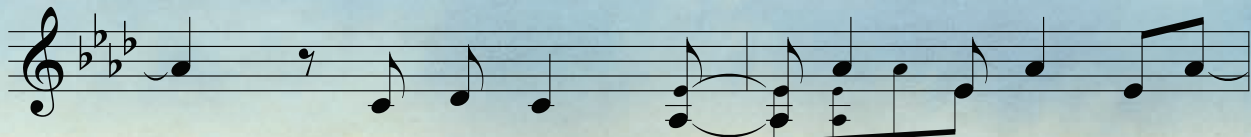

All these heav-y thoughts will try to weigh you down,
Oh, the pour-ing rain will try to put it out,

but not this time. Way up in the air,
but not this time. Let your col-ors burn.

you're fi-n'ly free; and you can stay up there
and bright-ly burst in to a mil-lion sparks.

right next to me. All this grav-i-ty
that all dis-perse, il-lu-mi-nate a world.

will try to pull you down, but not this time.
that-'ll try to bring you down, but not this time.
