

REQUEST FOR PUBLIC INPUT - SURVEY
PLAYGROUND DESIGN FOR “CHUTES & LADDERS” PLAY AREA
RESERVOIR PARK, 100 CONCERT DRIVE, HARRISBURG, PA 17103

THE CITY OF HARRISBURG NEEDS YOUR INPUT !!!

WE ENCOURAGE PARENTS AND KIDS TO TAKE THIS SURVEY TOGETHER.

Play Area Goals:

- To provide Harrisburg with a unique and custom play area that is a life-size version of the “Chutes & Ladders” board game.
- The area is intended for 5-12 year olds. The Design Team has several ideas and concepts to turn this “Chutes & Ladders” themed play area into reality. The “game” walkway will use alternating colored rubber tiles to represent the actual game board and allow the users to move space-by-space, through the life-size game board. A phone app or a large spinner will determine the distance moved.
- The play area will have a variety of “chutes” (dual slides, twist slides, hillslides, etc.) and several “ladders” (log steps, cargo nets, climbing walls, artificial turf mounds, boulders, etc.).

Examples of “chutes” & “ladders” play features
