*Dentists who have signed a participating network agreement with Delta Dental have agreed to accept the maximum allowable fee as payment in full. Non-participating dentists have not signed an agreement and are not obligated to limit the amount they charge; the member is responsible for paying any difference to the non-participating dentists.

Thank you for choosing Delta Dental of Minnesota as your partner in oral health. Dental insurance is designed to pay a portion of the costs associated with your dental care. Having dental insurance is essential to keeping your mouth healthy by providing access to preventive care, such as cleanings and x-rays, and helps cover extensive dental procedures such as crowns and fillings.

Seek Care from an In-Network Provider!

Delta Dental PPOSM gives you the lowest out-of-pocket costs. Participating dentists in this network agree to accept lower fees for procedures, providing larger discounts that result in savings for you.

Delta Dental Premier[®] is the largest dentist network in the country; these dentists have agreed to accept Delta Dental's pre-negotiated fees for dental procedures, however they aren't as low as the Delta Dental PPO network.

Seeing an Out-of-Network dentist is always an option. However, by utilizing one, you will be missing out on the discounts available to you.
