

# Harvest Kids Check-in

**#1** Walk up to any available tablet at our Harvest Kids Check-in station in the lobby.

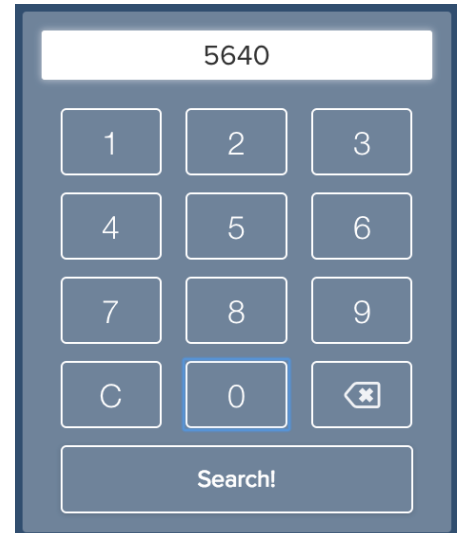

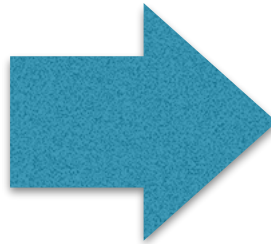

A numeric keypad interface with a text input field at the top containing the placeholder text "phone number". The keypad has buttons for digits 1-9, 0, a "C" (clear) button, and a backspace button. Below the keypad is a button labeled "Enter a number".

**#2**

Use your finger to press the last 4 digits of your phone number.

Touch 'Search'

The same numeric keypad interface as in step 1, but now the text input field contains the number "5640". The "0" button is highlighted with a blue border, and the "Search!" button at the bottom is also highlighted.

**#3** A list of all family members will display along with the location they are associated with; this may be Worship or a Harvest Kids classroom.

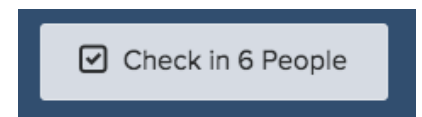

A screenshot of a tablet interface showing a list of family members for the "Burckart Household". The list includes names, photos, and associated locations. At the bottom, there is a dropdown menu for "Check in by Heather Burckart" and a button for "Check in 6 People".

Name	Location
Erik Burckart	Worship
Heather Burckart	Worship
Anna Burckart	Elementary
Ava Burckart	Preschool
Elijah Burckart	Toddlers
Maddie Burckart	Elementary

If everyone is attending, hit

A button labeled "Check in 6 People" with a checkmark icon to its left.

If someone is not attending, hit the checkmark beside their name so that they will not be checked in.

**#5** One child label per kid as well as one family label will print.
