

Model UT03301
SKU# 402445

Thermoplastic

Innovative Intelligent Utility Pumps

- Corrosion-resistant engineered resin construction for long life
- Automatic microprocessor controlled submersible utility pump for indoor and outdoor application
- Innovative electronic detectors sense water present perfect for any shallow flooded area application, start-up at 1 1/4", suction to 1/4"
- 1 in. NPT discharge with garden hose adapter included
- Energy efficient permanent split capacitor motor
