WINDOW CONTRACTOR *Checklist*

Questions to Get Answers to

- Can the contractor provide you with references and photos of previous projects *before* and *after* it was completed?
- Do they have their own crew, or do they contract out?
- How long will the project take to complete?
- Can the contractor explain their specific experience with window installations?
- How would the contractor handle service issues after the project is completed?
- Did the contractor inspect the interior, exterior and design of your home prior to coming up with a plan?
- Has the contractor discussed potential price changes if problems or issues arise during work?
- Does the contractor offer painting as a part of the installation package??
- Is the contractor certified by a qualified program (State and/or National)?
- Is the contractor license, bonded and insured (do they need any additional license and do they have them)?
- How does the contractor finish out the interior of the windows after installation?
- When can the project be started? How long does it take to order materials?
- Is the contractors work certified or factory authorized?
- What is the length of the warranty? What does the warranty include?
- Does the contractor practice safe lead removal and disposal?
