

## Hope & Defeat Fatigue, Discouragement, How to Defeat This Demon

August 16, 2015

God bless you, Heartdwellers. I am so sorry I didn't get this message up this morning. I've been overwhelmed with things having to do with helping our houseguest move. But, I'm here now, and the Lord has given me a message that I think will really cheer everyone up!

First, I want to say that there has been an extraordinary amount of oppression lately in the way of fatigue, and lifelessness and just dragging along. Ezekiel and I have really felt it, and two or three others have mentioned that they've really been feeling that.

Lana Vawser, who is a prophet of the Lord in Australia put out a message about how there was a release of oppression. One of our own Heartdwellers said the Lord gave her the name "Vapid" spirit – and that it sucks the life out of you. I looked it up and it talks about "spirit of flatness, or dullness – a spirit without life; exhausted, fatigued, tired. Flat and lifeless; almost like salt that's lost its savor." And that's the definition of Vapid, the spirit.

Lana Vawser gave it a more, in-depth definition – I probably should read it to you, so you'll know what it's all about. It's really been coming against everyone. She calls it a Jezebel spirit. A Jezebel spirit, of course, is any spirit that tries to deprive God's prophets of their calling, and oppress them in any way.

She said:

I saw this spirit like an octopus and its tentacles were attempting to hinder the senses of the people of God.

Two tentacles were attempting to cover the eyes, two to block the ears and two tentacles were attempting to hinder the tongue. This spirit has been hitting eyes because of the greater vision the Lord is releasing, especially to the prophets and prophetic voices. It has been hitting ears, because the Lord is leading His people into deeper levels of hearing His voice.

Gosh! Isn't that what we're all working towards?

This spirit has been hitting mouths to bring a silencing of the messages on His heart right now that is releasing the revelation of His love at new levels through many different forms that is awakening the people of God to who they are and His love like never before.

Isn't that our mission? Wow... And so many of you have said you really struggle. And, part of that struggle may be this spirit – this oppressive spirit that has come against the Body of Christ. She calls it a Jezebel spirit.

This spirit is attacking mouths in worship leaders to as new

realms of worship is being entered into that is breaking the people of God free and deeper into new levels of intimacy and realms of breakthrough. A whole new revelation of waging war in worship is being released.

This spirit had been sent against many believers causing extreme fatigue, an overwhelming feeling of wanting to give up

**Wow! So many of you have voiced that!**

and run and a deep emptiness or despair for no reason, amongst other things. Many have been wondering what is wrong with them because of this sudden onslaught of things that is "out of the ordinary".

**Ezekiel and I *absolutely* have been going through this!**

This spirit was coming after many and leaving them with a feeling of such deep fatigue like the life was being sucked out of them. A real unexplainable feeling of being drained. I saw many being hit with these 'feelings' especially in times of pressing in deeper into the secret place.

One on one communion with the Lord was being greatly affected.

Do not go chasing after this spirit but know that it is being unmasked by the Lord and you are taking new ground. You are moving forward into new things and greater victories, greater breakthroughs and the enemy isn't happy.

I felt the Lord saying that the greatest weapon against this spirit is to worship. Lift up the name of Jesus. Declare His blood over you and DO NOT FEAR!!! Declare the victory that is yours. War in your worship. Do not be put off by its tactics but know that you are victorious and the Lord is leading you into manifestations of greater victory. Worship your way through the warfare and you will not only see this 'spirit' flee, but the very areas where it has attempted to hinder, you will receive a greater awakening of spiritual senses.

Where this spirit has been attacking the Lord is adding increase to you as you wage war in worship.

**And, you know - the Lord gave me a rhema about worship two nights in a row.**

You are taking new ground. Look not at the spirit and its tactics, look at the face of Jesus and delight in Him. Lift up your hands and worship Him. Press deeper in Him, for your intimacy with Him and your rest in Him is your greatest weapon.

I believe the Lord is unmasking this spirit to reveal to His people a deeper revelation of [Ephesians 6:12](#) "For our

struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms."

The people of God are moving into new territories, taking greater ground and that is why this overwhelming sense to run, to give up and extreme fatigue has hit hard. There is a higher level of warfare happening for many right now, but I felt the Lord saying to those being hit hard "glorious encounters with Me are before thee!!!"

Shake it off in worship, new levels of victorious breakthrough await you!

Wow...okay. Well, there you go - that's what's been hitting us so hard lately. The Lord's message last night was...well, I just got this from an email that came in, that I just happened to open. I haven't had time to do my emails.

But, the message the Lord gave me last night - I'll start off by explaining that the worship was very sweet being in the presence of the Father and Jesus. Dancing with Jesus, He invited me to come sit with Him but I can barely keep my eyes open.

'Here I am, Blessed Redeemer...' I caressed His brow and held Him tonight telling Him how much I love Him. 'I'm afraid if I close my eyes to listen to you, Lord, I'll fall asleep. Oh, Lord, help me please.'

He began. He said, *"I want to speak Hope to My Bride tonight.*

*"Even though you walk through the dark valley, you will fear no evil, for I am with you.*

*"When you are constantly focusing on the negative hope begins to wane. That is another reason for avoiding the news. Do you know that the news is psychologically arranged to cause fear and insecurity, hopelessness? Yes, it is a form of social programming to get the response you want out of the masses. Indeed it is deliberate manipulation of the mass mind. This way the economy can be predicted with great accuracy. Professional investors monitor the public's emotional responses and make investments accordingly. It is all planned and mapped in higher institutions of learning and think tanks. It is programming, identical in ideology to the program The Matrix. Though this mass programming is not quite a reality yet with implants, all the thoughts and ideas broadcasted through media programs and news, are simply mental manipulations to get the public to behave a certain way.*

*"And, that's only what you can perceive through the physical senses. There is much, much more flowing copiously from the demonic hierarchy under principalities and broadcasting below the human awareness level to create certain moods. Even hunger can be stimulated broadcasting certain frequencies. It is a highly sophisticated science and calls for extreme caution from Christians. If you were to see a graphic display of what actually is traveling through the atmosphere in your town, you would see a blizzard during the day and even at night there is this white noise energy, but much less intense.*

*"I know you prefer the daytime Clare, so do I, I love the light. But, night has less interference from electronics. I know you're struggling to keep your eyes open and hear Me, Beloved. I will help you."*

Oh, thank you, Lord. I am struggling.

*"Well the reason I brought this up to you and our family is that they need to know much of what they feel can be stimulated by invisible forces."*

(There's that thing that Lana Vawser was talking about.)

*"But, when you come to Me, My Brides, I wash away all the filth of that programming. When you worship..."*

(Isn't that what Lana said, is the thing to use against this?)

*"...you are lifted out of the earthly reality and transported into Heaven where worship is going 24 hours a day: continuous worship, continuous renewal, healing and cleansing of the mind."*

*"In the day I take over the administration of Earth and satan is bound, the atmosphere will be glorious beyond imagining. It will be pristine, clear, peaceful, joyful, to the point where you will almost hear the trees and flowers singing. Yes! All Creation sings worship to Me, ALL creation. Though you cannot perceive it because of millenniums of filth and demonic influence, when the Earth is purified, it will be almost tangible. Almost something you can touch, so acutely pure will the atmosphere, the waters, the air, plants and animals will be singing harmonies of joy that I have come to rule the Earth. Even now, they are laboring against the filth, continual degeneration and stagnation of men's sins. But when they are freed what a glorious day that will be!!!"*

And, I wanted to give you some Scriptural backup for what He is saying here:  
Romans 8: 19-25 For all Creation is waiting eagerly for that future day when God will reveal who His Children really are. Against its will, all Creation was subjected to God's curse. But, with eager hope, the Creation looks forward to the day when it will join God's children in glorious freedom from the death and decay.

Wow, and immortal Creation!

For we know all Creation has been groaning, as in the pains of childbirth, right up to the present time. And, we believers groan, also, even though we have the Holy Spirit within us as a foretaste of future Glory. For, we long for our bodies to be released from sin and suffering. We, too, wait with eager hope for the day when God will give us our full rights as adopted Children, including the new bodies He's promised us. We were given this hope when we were saved. If we already have something, we don't need hope to have it. But, if we look forward to something we don't have, then we must wait patiently and confidently in Hope.

And, speaking a little bit more about the Creation, it's written in Mark 16:15 He said to them, "Go into all the world and preach the gospel... to all creation."

He didn't say to all men...He said to "all Creation."

Psalm 96:13 Let all creation rejoice before the LORD, for He comes ... He comes to judge the Earth. He will judge the world in righteousness

Psalm 148:7 Praise the Lord from the Earth, you creatures of the ocean depths,8 fire and hail, snow and clouds, wind and weather that obey him, 9 mountains and all hills, fruit trees and all cedars,10 wild animals and all livestock, small scurrying animals and birds, praise the Lord!

So, the Lord continued after that:

*"Hope is what I impart to you, desperation is what man imparts. That is the reason I wish for you to abstain from worldly news. There are some of my servants who present the news in its accurate form, but even they focus on what is coming upon the Earth, which is so negative.*

*"Even now, in worship, you can access the River of Life, the creative, cleansing power of the Father, through worship. That is why it is so important for it to dominate your lives. To the degree that you partake of the degradation of Earth, to that degree you need cleansing from that influence. It is very rare soul that gets a thorough and complete cleansing from the contamination they have accumulated...very rare. Baptism can be one of those times. Being born again can also be.*

*"But, there is nothing quite like worship. Lift up your eyes to the hills from whence comes your redemption. Lift up your hearts to heaven and drink from the rivers of living waters flowing from the throne of the Father; dancing, alive and yearning to wash over each and every one of you restoring to you virginal purity and eternal life in the wholeness never before experienced on this Earth since Adam and Eve.*

*"Yes, hope is great indeed. I will make all things new. I will liberate this Earth from its endless cycles of death. And you, too, My Brides, will meet with your eternal purpose in Me, excelling in excellence, creativity, love and service. And, you will return to rule and reign with Me, that justice may be restored and evil defeated.*

*"I want you to think on these things. I want you to see the hope that is stored up for you in Me. Yes, I am coming, bringing My reward with Me. In the twinkling of an eye you shall be made whole. You shall rise in fullness of life and forever we will dance the dance of life, celebrating our love, as even the flowers sing to you.*

*"In Heaven we will celebrate whole-heartedly with all our strength and being the wonders of Our Love for you. And, to those who love a party, I want to say that you've seen nothing on this Earth in the way of celebrating. In Heaven, there is celebration from the least to the greatest. Even the doe and fawn will jump and frolic in the freedom intended for it from the beginning.*

*"Nothing shall be sad or fearful, all shall be filled with confidence and peace as they progress from glory to glory. Oh, what a day it will be when we are finally united. So, be at peace, My Brides! Look forward to that day! Let it be the underpinning of your thinking, not the sadness*

*and sin of this world, but the joy and fulfillment of the next.*

*“I bless you with Hope...take deep breaths of this Hope and hide it in your heart. Return to your heart frequently and drink of this wholesome River of Life, even as you worship on this Earth. “*
