

BE PART OF OUR SUCCESS STORY

IT ADMINISTRATOR

WHO WE ARE

Clever. Robust. Measurable.

Combining 20 years of hospitality experience with the energy of a start-up, Serenata turns big data into smart useable data. Serenata is one of the leading providers of e-marketing and CRM solutions for the hospitality industry. By integrating guest information with various systems, our CRM suite Serenata NetHotel provides a comprehensive 360° view of the guest. At each step - before, during and after their stay - Serenata NetHotel ensures guests receive the most targeted, dynamic and relevant communication.

WHAT WE OFFER

Serenata is looking for a talented, energetic and driven individual to join our team as IT Administrator in Munich. Flexible working hours, an agile work environment, quick decision making and shared lunch breaks on our rooftop terrace are part of our corporate culture.

YOUR PROFILE

- Trained IT specialist or comparable education
- Min. 2 years in enterprise data center operations with Microsoft products (Client, Server, ADS, IIS, MS SQL Server)
- Technical experience in Virtualization (VM Ware) as well as servers network hardware and services (router, firewalls, VPN)
- Organizational skills and motivation
- Fluent in spoken and written English and German

YOUR JOB

- Administration of our internal IT infrastructure and data center operations (homogeneous Microsoft landscape)
- New setups and maintenance together with your team colleagues
- Selection and procurement of hardware and software
- Support of customer IT projects
- Technical 2nd level support
