

LESSON 5

Scratch

How can I make a game, a story or an app with programming?

Label the correct piece of Scratch code with the computer science idea. Color in the code and fill it with something funny!

CoNDitionalS

making decisions based on conditions.

SequeNce

identifying a series of steps for a task.

RepeTitiON

running the same sequence multiple times for a task.

You can find the Hello Ruby Scratch projects at helloruby.com/scratch or work on your own project!
