Supporting Tim McClure

And Tim's Family with His Recovery Journey!

[Read About Tim's Story with Donation Link Here](#)

Tim is a close friend of our son, and our entire Jack's Firehouse Family who suffered a catastrophic spinal cord injury a week before his college graduation in May. This Day is an opportunity to show your support for Tim, his parents, Kelly and Matt, and his brother, Liam, in person! It is also an opportunity to raise money for the continued specialized care Tim will need to work toward a successful recovery.

\$100 Minimum Donation is requested per guest

Donations may be made at the link above or in person at the event.
100% of DONATIONS to the HelpHope Live account go directly to Tim's care

Please **RSVP** to help us better plan for the event at
