

About Mathew

Mathew was injured over ten years ago when he was struck and carried by a rogue wave that dropped him into a sandbar head first. This resulted in a C6 and C7 spinal cord injury that left him paralyzed from the chest down. Mathew has undergone 2 major surgeries and countless hours of rehabilitation to allow himself the most mobility and strength possible.

The funds we raise at the golf outing & silent auction allows him to continue his physical rehabilitation, maintain his wheelchair accessible van and pay his extensive uncovered medical expenses.

Thank you family, friends and sponsors for your continued, loyal support. We commemorate 13 years of holding this golf fundraiser and know it is each of you who make it possible. Without your support, encouragement and financial contributions, Mathew would not be able to participate in his various physical therapy programs and have the ability to pay for medical supplies.

We continue to raise funds for the long-term care and medical expenses for Mathew including a new power wheelchair. Please help us raise funds for this long-term goal.
