

Thank you for applying to become an NRP® Instructor!

The following checklist must be completed within one year of your application approval date to become an NRP Instructor and receive your Instructor NRP eCard.

Complete within 1 year

1 Within 30 days, log into your NRP account and enroll in the *NRP Instructor Candidate Curriculum*. The Curriculum includes the following:

- *Online NRP Instructor Exam*
- *Online NRP Instructor Course*
- *NRP eSim® Cases*
- *NRP Instructor Toolkit*

Note: If your NRP Provider eCard expires in less than one year, your expiration date will automatically be extended by one year from your application approval date.

2 Review *NRP Instructor Toolkit* content. The Toolkit contains resources and materials to help you prepare for the online instructor course and examination.

3 Complete online *NRP Instructor Course*.

4 Successfully complete the *NRP Instructor Exam*.

5 Complete the *NRP eSim Cases* equipment checklist, followed by at least two additional cases.

6 Identify an Instructor Mentor(s) and teach two NRP provider courses under his/her guidance. At least one of the two courses should include a “debrief the debriefer” component.

7 Submit evaluations for your Instructor Mentor(s).

8 Check your account for your NRP Instructor eCard. It can be found in the Profile tab under Resuscitation Cards.
