

Fat Shark Specification Document

Model Number: 2003
Model Name: RCA Male to 4p Right Angle 1m
Document Revision/Date: Rev A/ 08.26.2014

Product Description:

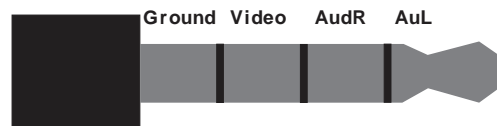

This 3 RCA Male to 4-pole Right Angle Cable allows you output the wireless signal from your Fat Shark headset to an external monitor or recording device. It can also be used to connect and display alternative video sources in the goggles. The right angle connector allows the cable to extend vertically from the headset's side mounted AV port.

Specifications:

Electrical:

- RCA Connector:

Yellow:	Video
White:	Audio Left
Red:	Audio Right

Mechanical:

- Size of Jack: Φ 3.5 mm
- Length : 1.0 m
- Weight: 47.5 g

Packaging:

- Packing Method: PE Plastic Bag

Operation:

Plug its 3.5mm 4-pole right angle jack in the AV in/out port of your headset so the cable hangs off the side of the headset, and connect the Red/ Yellow/ White RCA/Phono plugs to external video source or recording device, then you may start video transmission or recording.
