Important Notes:

1. We require at least 500g (half a kilo) of the soil sample for analysis.
2. Soil samples can be delivered in CROPNUTS sample bags or if not available, in brown paper bags or plastic bags - ensure these are uncontaminated and well labelled
3. Soil samples should be delivered to our labs as soon as possible - especially where available nitrogen testing is required

Physical Address for Sample drop off: Cooper Centre, Kaptagat Road, Off Kangemi Flyover, Waiyaki Way, Nairobi, Kenya.
