

Candy-Making kit

ねりきゃんランド

Flavor

For parents:

Due to age limitations, please help make this along with small children.

We use only all natural colorings and no preservatives. We only use safety-guaranteed ingredients.

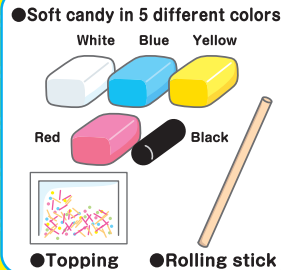

Go to website to have more fun! <http://www.nerune.jp/>

How to Make

- 1 Wash your hands well!
- 2 Take the sack the tray came in, and spread it out flat. Place the candy on top of this.
- 3 Look at the photographs below and shape the candy as shown.
- 4 When finished, enjoy the delicious sweets!

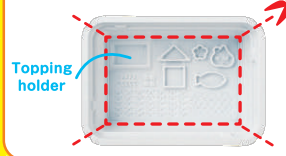

Kit contents

How to Use the Mold

Use scissors to cut the mold along the dotted lines shown in the picture.

※There are some sharp corners, so be careful.

To Parents

Making the candy by thinking about how to use the various colors and shapes will develop your child's creative ability.

There are 4 types of molds, so the tray in the set may differ from the one shown in the photographs.

Making Shapes

Mixing

Make new colors! Knead colors together to make new colors.

Try out different combinations!

Mix just a little bit to make marbled colors

Patterns

Use the Molds

Try making these!

Neruru

Nerune

If the candy is sticky, let it cool a little bit. If it is hard, warm it with your hands to make it softer.

Kracie Foods, Ltd.

Make sure to wash your hands first!
