

# Crowd Funding Manufacturing Agreement

This Manufacturing Agreement (the “Agreement”) is made on the \_\_\_\_ day of \_\_\_\_\_, 20\_\_ (the “Effective Date”) entered between \_\_\_\_\_, hereinafter called “Client”, and The Game Crafter, LLC.

Whereas upon and subject to the terms of this Agreement, Client will engage The Game Crafter’s services to provide manufacturing and fulfillment services for \_\_\_\_\_ (“Product”).

The Game Crafter shall promote the Product on not less than two occasions during the crowd-funding campaign for Product through it’s blog and social media channels. It is the responsibility of the client to submit 2 different articles and provide preferred dates for the promotion to occur. If a client fails to provide 2 articles to The Game Crafter then the promotions may not occur and the agreement is still valid.

Client agrees to use The Game Crafter’s manufacturing services upon successful completion of the crowd funding campaign.

Should the crowd funding campaign for Product exceed The Game Crafter’s normal bulk pricing limits, every effort shall be made to provide extended bulk pricing discounts commensurate with the quantities needed to fulfill the orders for Product generated by the campaign. If the client needs to produce more than 400 units for their campaign then The Game Crafter will dissolve the agreement and the client can use another firm.
