To assist you in planning your participation in the show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling. To help you understand the jurisdiction the various unions have, we ask that you read the following.

SIGN, DISPLAY AND ALLIED CRAFT UNION

Members of this union claim jurisdiction over all set-up and dismantling of exhibits including signs and carpet installation. This does not apply to the unpacking and placement of your merchandise. You may set up your exhibit display only if one person can accomplish the task in less than 30 minutes without the use of tools.

TEAMSTER UNION

This local union claims work relating to delivery of freight, loading and unloading of freight, movement to and from storage areas and the operation of all mobile equipment (forklifts, tow motors, electric jacks, cranes, etc.) at he site of the exhibition within its jurisdictional boundaries. Exception: An exhibitor may move material that can be hand carried by one person in one trip, without the use of dollies, hand trucks, or other mechanical equipment. When exhibitors choose to hand carry in accordance with the foregoing, they will not be permitted access to loading dock area(s).

FREIGHT HANDLING

Show Ready Expo has the responsibility of receiving and handling all exhibit materials and empty crates. It is our responsibility to manage docks and schedule vehicles for smooth and efficient move-in and move-out of the exposition. SRE will not be responsible for any material we do not handle.

WORK BREAKS & GRATUITIES

Solicitation of tips or gratuities in any form is prohibited. Please do not tip any SRE employee, as all are paid at an appropriate wage scale. Paid breaks of fifteen minutes at the mid-point of each four hour block of work and a one hour meal break at the end of each four hour work period must be given to each employee. Please attempt to work your people to conform to these mandatory break periods.

IN GENERAL

Any questions arising with regard to union jurisdictions or practices should be directed to the SRE manager on the floor. Craftsmen at all levels have been instructed to refrain from expressing any grievances or directly challenging the practices of any exhibitor.

Limits of Liability & Responsibility

July 19 & 20, 2024

Discount Deadline Date: 7/8/2024

The placing of an order for services and/or equipment by an exhibitor or any agent of the exhibitor shall be construed as an offer subject to acceptance and approval of Show Ready Expo in its sole discretion. Upon participation of any Show Ready Expo' show or event, the Exhibitor and its agents shall be bound by the terms and conditions set forth in Sections 1 through 14 below. Likewise, once Show Ready Expo has accepted and approved the Exhibitor's offer, anyshipper consigning or delivering a shipment to Show Ready Expo or its subcontractors on behalf of Exhibitor shall bebound by the terms and conditions set forth in Sections 1 through 14 below.

1. Show Ready Expo and its subcontractors shall not be liable for damage, loss, or delay to uncrated freight, freight improperly packed, glass breakage or concealed damage as determined by Show Ready Expo.

2. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the booth by Show Ready Expo or its subcontractors and the arrival of the Exhibitor's representative at the booth. Similarly, relative to outgoing

shipment(s), it is possible that there will be a lapse of time between the completion of packing and the actual pickup of materials from the booth for loading onto a carrier. It is understood that during such times the shipment(s) will be left in the

booth unattended. Therefore, it is agreed that Show Ready Expo and its subcontractors shall not be liable for the loss of, disappearance of, or damage of any items left in the booth unattended at any time. Consequently, all bills of lading covering

outgoing shipment(s) submitted to Show Ready Expo or its subcontractors by the Exhibitor will be checked at the time of

pickup from the booth and corrected where discrepancies exist. 3. Show Ready Expo and its subcontractors shall not be liable for any damage incurred during the handling of materials or equipment requiring special devices to properly load, place, or reload unless 14 days advance notice has been given to Show Ready Expo in time to obtain the proper equipment. 4. Show Ready Expo and its subcontractors shall not be responsible for any loss, delay, or damage due to events beyond their reasonable control which cannot be avoided by the exercise of due care and prudence, including without limitation, strikes, labor disputes, lockouts or work stoppages of any kind, fire, theft, windstorm, water, vandalism, acts of God, failure of power or utilities, and other events of force majeure.

5. Show Ready Expo and its subcontractors shall not be liable for ordinary wear and tear in handling of materials and/or equipment.

6. Show Ready Expo and its subcontractors are not insurers; i.e., Show Ready Expo does not insure the Exhibitor's property against loss or damage, nor does it provide for full replacement value should loss or damage occur. Insurance, if any, shall be obtained by the Exhibitor. Amounts payable by Show Ready Expo under this paragraph are based on the scope of the liability as herein set forth and are unrelated to the value of the Exhibitor's property. Provisions of this paragraph shall apply if Exhibitor's property is lost or damaged through performance or nonperformance of services by Show Ready Expo, or from the negligence of Show Ready Expo, its subcontractors or their respective employees. If such loss or damage occurs, the liability of Show Ready Expo and its

subcontractors shall be limited to a sum equal to \$.30 per pound per article, with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less. This amount shall be considered Exhibitor's agreed-upon damages and exclusive remedy. 7. Show Ready Expo and its subcontractors shall not be liable to any extent whatsoever for any indirect, special, incidental, or consequential damages, which may include, but are not limited to any

consequential damages, which may include, but are not limited to any actual, potential or assumed loss of profits or revenues, loss of use of equipment or products, or any collateral costs that may result from any loss or damage to Exhibitor's materials or any injury to Exhibitor's personnel

which may make it impossible or impractical for Exhibitor to exhibit its materials.

8. Show Ready Expo will not be bound to honor any claim or action brought against Show Ready Expo or its subcontractors more than 60 days after the date of incident.

9. The Exhibitor agrees, in connection with the receipt, handling, temporary storage and reloading of its freight, that Show Ready Expo and its subcontractors will provide these services as Exhibitor's agent and not as bailee or shipper. If any employee of Show Ready Expo or its subcontractors sign a delivery receipt, bill of lading or other document, the parties agree that Show Ready Expo or its subcontractor will do so as the Exhibitor's agent, and the Exhibitor accepts the responsibility thereof.

10. Show Ready Expo and its subcontractors shall not be liable for shipments received without receipts, freight bills or specified unit counts on receipts or freight bills. Such shipments will be delivered to booth without guarantee of piece count or condition.

11. Empty container labels will be available at the Show Ready Expo' Service Desk. Affixing the labels is the sole responsibility of the Exhibitor or its representative. It is understood that these labels are used for EMPTY STORAGE ONLY, and Show Ready Expo and its subcontractors assume no responsibility or liability for loss or damage to contents while containers are in storage or for mislabeled containers. 12. In order to expedite removal of freight from the show site, Expo Event Services shall have the authority to change designated carriers, if assigned carriers do not pick up on time. Where no disposition is made by the Exhibitor, freight will be taken to a warehouse and forced shipped on a carrier determined by Show Ready Expo and the Exhibitor agrees to be responsible for payment of charges relating to such handling and shipping. Show Ready Expo assumes no liability as a result of rerouting or handling.

13. Dry and Cold Storage – Exhibitor stores products at its own risk. Show Ready Expo assumes no liability or responsibility for dry of cold storage.

14. The Exhibitor agrees, in the event of a dispute with Show Ready Expo or its subcontractors related to any loss or damage to any of the Exhibitor's freight or equipment, that the Exhibitor will not withhold payment in any amount due to Show Ready Expo for freight handling services or any other services provided by Show Ready Expo or its subcontractors as an offset against the amount of the alleged loss or damage. Instead, the Exhibitor agrees to pay Show Ready Expo prior to the close of the show for all such charges and further agrees that any claim the Exhibitor may have against Show Ready Expo or its subcontractors shall be pursued independently by the Exhibitor as a completely separate transaction to be resolved on its own merits.

Be sure your freight is insured from the time it leaves your place of business until it is returned after the show. It is suggested that Exhibitors arrange all risk coverage. This can usually be done by riders to existing policies. Contact your insurance representative. Also, be sure your liability insurance is in effect during transit and return of your freight, during storage and at show site. All transit claims will be referred to the common carrier.

Shipping Guidelines

We recommend that you use TS Shipper, a freight team specializing in trade show shipping. Exhibit freight is time-sensitive, and experience counts. If you are in doubt, call Show Ready Expo to assist you in planning your shipments.

Take advantage of the advance shipping and receiving services provided by TS Shipper.

Please read the "Show Ready Expo' Limits of Liability and Responsibility" for important information on shipping.

Shipping Charges Please prepay all shipping charges. Show Ready Expo cannot accept or be responsible for collect shipments.

Bill of Lading All shipments must have a bill of lading or delivery slip showing the number of pieces, weight, and type of merchandise. Upon shipping, immediately send copies of bills of lading to Show Ready Expo and your on-site representative. Handling charges are based on the weight of the freight. Certified weight receipts are required for all shipments. Show Ready Expo will estimate weight for private vehicles without certified weight receipts. Charges will be based on this estimation and no adjustments can be made. Separate mixed van shipments between crated and uncrated and clearly identify the weights of each on the bill of lading. Otherwise, Show Ready Expo will invoice the entire load at the Uncrated rate and will be unable to adjust charges later.

Consignment All shipments must be consigned c/o Show Ready Expo to enable us to accept them for handling.

Shipping Labels Please use the shipping labels provided to expedite handling.

Certified Weight Receipts The weights of your vehicle empty and loaded must be documented with certified weight receipts for billing purposes. Show Ready Expo will unload all shipments after your driver submits certified weight receipts at the receiving site.

Labor and Equipment Labor and equipment for unloading and loading are included with Show Ready Expo freight handling rates for services. If your material requires specialized rigging equipment, please notify

In order to produce your graphics at the highest quality and facilitate the transfer of your files to us for production, we are pleased to provide you with this graphic file submission document. Note - the basic cost of graphic production is typically included in your sales quote. Additional prep work on supplied files may require additional fees. Please contact Show Ready Expo for details.

File Formats Program Adobe Illustrator Adobe Photoshop Adobe InDesign Adobe Acrobat

Preferred File (type)

ai, eps tiff , psd, jpeg (high quality) indd (include links) PDF (press quality setting)

File Transfer Options Media Flash Drive E-mail Attachments FTP DropBox

Note

With attached fonts and links Limited to maximum size 5MB zip or compression preferred File sharing

Files obtained from the internet or artwork created in MS Office application (Word, Excel, Power Point, etc.) are often not suitable for high quality output, and typically require additional fees. Artwork should be created to full size - however for larger files i.e. Banner - artwork at 1/4 scale of actual size is acceptable. Scans should be no smaller than 300dpi at 1/4 size. To avoid additional fees associated with these file types, please supply files, at a minimum, two weeks prior to your show.

Vector Artwork

For the best quality in large format printing, artwork should be created and supplied in vector format (.ai or .eps), unless the image is a photo or image file (see bitmap/raster below). Logos and images taken from websites are generally gif's. Gif files are not acceptable as they are low resolution and will NOT print clearly. Artwork which is going too be produced in vinyl - i.e: solid company logo's or text, must be supplied in a vector format (.ai or .eps). Converting bitmap images to vector for vinyl production is a typical issue that may incur additional fees.

Bitmap/Raster Artwork

JPEG/TIFF- We accept these formats but the original artwork must be of sufficient high resolution- 300dpi - and to size as needed for print - in order to print at the best quality.

PDF- These are print files only and can NOT be altered or versioned to fit dierent sizes. Artwork must be set up at the correct proportion and at print ready quality. Make sure images are saved at high resolution (300dpi).

Color Set Up

If your artwork utilizes PANTONE MATCHING SYSTEM (PMS), please supply a Pantone color reference. Note that Pantone colors are matched to the best possible interpretation for the specific output device and material printed on. If you would like us to match existing graphics, please provide hard copy of the graphics for reference. If your artwork utilizes CMYK values, the printer will use those.

Fonts

Convert all fonts into outlines or paths prior to uploading the files. Also please provide ALL FONTS utilized in your files. This is in case we need to edit copy or if some fonts were not converted to paths or outlines.
