- LOUNGE AND GAMES ROOM
- ONSITE BAR

**DAY 1: SATURDAY** We'll pick you up the city and transfer you to Strand beach where you'll do lesson #1. We will then follow the coastal road to the picturesque Kalk Bay harbor where we'll enjoy lunch at a true local fish 'n chip café. We'll take a walk along the harbor wall amongst the fishermen where there is a chance to spot seals swimming amongst the colourful boats.

We'll then head to a wine farm to taste the local wines whilst enjoying the views. We will drive along the impressive Chapmans Peak to enjoy sunset from the viewpoint before heading back to our accommodation in Muizenberg. There we will enjoy dinner together whilst watching a slide show of the day's surfing photos and a surf movie.

**DAY 2: SUNDAY** We start off the morning early with an optional yoga class at 07:30am. After breakfast we commence with lesson #2 where you may find yourself riding a wave all the way to the sand. We will grab a take out lunch from the best local cafe where you then have the opportunity to relax and catch some rays whilst people watching at this interesting beach. After the midday break, we will continue with lesson #3, where you'll begin to feel more comfortable with directional changes in the 'foamies' and understand what the 'surf check' is all about. We will then transfer you back to Cape Town truly 'stoked' like a local.
