DAY 1: FRIDAY Morning pick up from Cape Town and drive to Strand beach where you will do your first surf lesson. We then follow a beautiful coastal drive to Hermanus where you have the opportunity to spot whales from the cliffs whilst enjoying lunch. We continue our journey through the canola fields to our lodging in the quaint seaside village of Arniston (close to the Southernmost Tip of Africa). That evening we relax and enjoy dinner together.

DAY 2: SATURDAY After breakfast, we grab our boards and stroll down to the beach for the second surf lesson. After lunch we drive down to the Southernmost Tip of Africa (the official meeting point of the Indian and Atlantic Ocean). We then return to our lodging via local farm roads where there is the opportunity to spot some ostriches and zebra along with some amazing bird life. Upon arrival at our accommodation, we grab our sand boards and head for the nearby sand dunes to 'surf' the sand whilst watching the sunset. That evening we chat around the fire and enjoy a South African braai (barbecue).

DAY 3: SUNDAY After breakfast we take a hike along the dunes to an impressive sea cave for which the area is famous. On our walk back there is the opportunity to explore/swim in beautiful rockpools. We grab our surf gear and then walk down for our last surf lesson. After lunch, we will then head back to the city. We will be back in Cape Town by early evening...sun-tanned and stoked!
