

## How to upload an artwork on iMusician?

### Accepted Artworks

#### Conditions:

- size: at least 3000x3000 pixels (Square format)
- format: PNG/JPG + no bigger than 9MB

#### Optional:

- We recommend to add the artist name and the release title on your artwork especially if you use an artist picture or generic pictures.
- The artist name and the release title do not have to be added on **artistic works**.

- Your label logo
- «Parental Advisory» logo if explicit lyrics
- HQ file (high quality)
- For Movie or Theater Soundtracks, you can add the director name on the artwork cover

### Denied Artworks

#### Examples:

- Rectangular-shaped artwork
- Artwork with additional words, stickers, mentions, dates, URLs, email addresses, social media symbols
- Artwork with nudity or pornographic elements
- Distorted, blurred or unreadable artwork
- Pixellated artwork when "zoomed" or "enlarged"
- Artwork with prominent borders
- Artwork with more than one title

#### Particular release - Single:

- Artwork with a different name from the track(s)

#### Unfortunately, we also can not accept:

- Brand logos without authorization
- Protected works used without authorization (art, photographs, fictional characters, artists and people).

*Blurry artwork*

*Rectangular, contracted artwork*

*Pixellization too high*

**Thank you!**
