

HMIS Client Informed Consent and Release of Information

PERMISSION TO SHARE CONFIDENTIAL INFORMATION TO SECURE NECESSARY SERVICES

Please read the following notice and authorization (or ask to have it read to you) before signing.

This agency_ participates in the New Hampshire's Homeless Management Information System (NH HMIS), Bitfocus Clarity. Agencies that participate in NH HMIS belong to an internet-based network. This network is administered by the Institute for CommunityAlliances.

has agreed to participate in the New Hampshire Coordinated Entry Partnership. The NH Coordinated Entry Partnership includes organizations that provide homeless and housing assistance from all 3 of NH's Continua of Care (BoSCoC, GNCOC, MCoC). As part of the NH Coordinated Entry Partnership, agencies agree to share information about individuals and families with other agencies in the Partnership to help a household to find or keep housing as quickly as possible.

BENEFITS TO DATA SHARING FOR THE CONSUMER

Eliminates Duplicate intakes	Faster access to the Coordinated Entry System, resulting in receiving services more quickly
Reduces the amount of time spent answering basic questions regarding your situation	Allows agencies to focus on meeting your unique service needs
Reduces the amount of times you have to tell your story to service providers	Multiple Services can be easily coordinated and streamlined

*New Hampshire HMIS ensures the security of its system. Please see below for detailed information on security measures. *

This network is made up of many service providers in New Hampshire, however the sharing of client level data between agencies is limited. **Agencies in the New Hampshire Balance of State CoC, Greater Nashua CoC, and Manchester CoC** are in agreement to share client information intended to improve service delivery to clients. Because of this sharing agreement, you have the option to share your information with other service providers from whom you might be seeking services. Your identity and information collected in NH HMIS will be shared, with your written consent, with the agencies participating in the network. NH HMIS includes your demographic information and other essential personal information needed to best determine your service needs. If your information was previously entered into the system and not shared, the historical data will now be shared between the agencies listed.

The computer program used for this purpose has industry standard security protocols and is updated regularly to meet these security requirements. The information you provide will only be shared with this agency, the agencies listed in the NH Agencies that Enter Data in the HMIS document, and limited staff of the Institute for Community Alliances. No personally identifying information will be shared by our network with any department outside of the Department of Health and Human Services in the State of New Hampshire or the Federal Government. Information collected is housed in a secure server owned and hosted by Bitfocus Clarity, in Nevada. Limited Bitfocus staff have access to this server and the data for the purposes of network support and maintenance. Data collected for the network will be maintained for at least seven years from the last date of service.

The list of agencies participating in the New Hampshire HMIS network can be accessed at <https://icanewengland.helpscoutdocs.com/article/281-nh-hmis-governance>. This list may change.
