

## Content to Career Connection: *When Will I Ever Use This?*

This document is intended to provide examples of career clusters and careers that utilize the content in a particular subject or course to help answer the common question from students, “When will I ever use this?” as well as to assist classroom teachers with finding career courses in Defined Careers that might be a good fit for use in their classroom. The career examples listed are only a few of the possible careers that may be associated with a particular topic. For a full listing of careers within each career cluster, please visit [Defined Careers: Career Experience Course Offerings](https://definedlearning.com/what-we-offer/defined-careers/career-experience-offerings) <https://definedlearning.com/what-we-offer/defined-careers/career-experience-offerings>
