# Add / Update Pharmacy

Update default Pharmacy

The screenshot shows the Rcopia Prescription Report interface. The top navigation bar includes tabs for CC/HPI, SCREENING, PFSH, ROS, VITALS, EXAM, TEST, ASSESSMENT, ORDERS, eRx, PLAN, SERV.PROC. CODES, and SUMMARY. The main header displays the Rcopia logo and the title 'Prescription Report'. Below the header, there is a 'Create New Prescription' button and an 'ENCOUNTER' section. The 'Patient' section is visible, showing fields for Patient Consent, SEX (Male), and DOB. The 'Pharmacy' dropdown menu is open, displaying a list of pharmacies: CVS PHARMACY #3968 (R) (E) - 816 E. MAIN STREET, ALHAM, CVS PHARMACY #3968 (R) (E) - 816 E. MAIN STREET, ALHAMBRA CA 91801, and RA DISCOUNT PHARMACY (C) (R) (E) - NORTHGATE CENTER, SILVER SPRING MD 209062924. A green box highlights the dropdown menu, and a blue box highlights the 'Browse Pharmacy...' link.

Search for new Pharmacy

The screenshot shows the Rcopia Select Pharmacy interface. The top navigation bar is the same as the previous screenshot. The main header displays the Rcopia logo and the title 'Select Pharmacy'. Below the header, there is a 'List' section with radio buttons for Practice List, Favorites List, and All Lists. The 'Pharmacy Type' section includes checkboxes for Retail, Mail Order, Specialty, Long Term Care, and In-House Dispensing. The 'Pharmacy Options' section includes checkboxes for 24 hours and EPCS enabled. There are input fields for Name, Address, City, State (California), Zip, Phone, and Fax. A 'Search' button and a 'Cancel' button are present. Below the search section, a table displays a list of retail pharmacies. The table has columns for Name, Address, Phone & Fax, Type, and Actions. The first row is for AGOURA, CA, with address 123 SPRING STREET, phone (403) 257-2749, fax (403) 398-1359, and type C R LTC E. The second row is for AGOURA HILLS, CA, with address 5623 Kanan Rd, phone (818) 991-5582, and type R E. A green box highlights the star icon in the Actions column for the first row, and a green arrow points to it.

# Manage Allergies

Select Allergies from navigation bar

The screenshot shows the Rcopia Prescription Report interface. The top navigation bar includes tabs for CC/HPI, SCREENING, PFSH, ROS, VITALS, EXAM, TEST, ASSESSMENT, ORDERS, eRx, PLAN, SERV.PROC. CODES, and SUMMARY. The left sidebar contains a menu with options: Patient Info, Prescribe, Medications, Allergies (highlighted with a green box), Diagnoses, Prescription Report, Pharmacy Messages, Reports, Settings, Utilities, and Support Center. The main content area displays patient information, including a pharmacy selection dropdown (CVS PHARMACY #3968 (R) (E) - 816 E. MAIN STREET, ALHAM), a prescription benefit status (No Prescription Benefit Available), and patient vitals (HEIGHT 0 cm, BSA(M²) 0, UPDATED 07/17/2021). The bottom right corner shows clinical reports for Provider and Patient.

Add allergy

The screenshot shows the Rcopia interface with the 'Add Allergy' dialog box open. The dialog box has a title bar 'Allergies' and a 'Filters' section. The 'Filters' section includes a list of allergens: Allergen, Fish Containing Products (Rash), and sulphated oil (1). The 'Add Allergy' button is highlighted with a green box. The main content area displays a list of active diagnoses, including '110 - Essential (primary) hypertension'.

# Manage Allergies

Add allergy, associated reaction, and severity

The screenshot shows the 'Add Allergy' form within a medical software interface. The top navigation bar includes tabs for CC/HPI, SCREENING, PFSH, ROS, VITALS, EXAM, TEST, ASSESSMENT, ORDERS, eRx, PLAN, SERV.PROC. CODES, and SUMMARY. Below the navigation bar, there are buttons for 'Add Medication', 'Show Medication History', and 'Show Inactive Medications'. The main form is titled 'Allergies' and contains several input fields: 'Allergen' (with 'Desenex' entered), 'Reaction(s)' (with 'Pain' entered), 'Severity', and 'Onset Date'. There are also search buttons for 'Search', 'Add Reaction', and 'Add Severity'. At the bottom of the form are 'Save' and 'Cancel' buttons. To the right of the form, there is a section titled 'Diagnoses / Problems' with a sub-section 'Active Diagnoses' showing 'I10 - Essential (primary) hypertension'.

Use the 3 dot icon to modify, inactivate, or delete

The screenshot shows the 'Allergies' list within a medical software interface. The top navigation bar is the same as the previous screenshot. Below the navigation bar, there are buttons for 'Add Medication', 'Show Medication History', and 'Show Inactive Medications'. The main form is titled 'Allergies' and contains a list of allergies. The first allergy is 'Desenex' with a reaction of 'Pain'. A green box highlights the three-dot menu icon next to the 'Desenex' entry. Below the list, there are buttons for 'Modify', 'Make Inactive', and 'Delete'. At the bottom of the list, there is a plus sign icon and a checkmark icon. To the right of the list, there is a section titled 'Diagnoses / Problems' with a sub-section 'Active Diagnoses' showing 'I10 - Essential (primary) hypertension'.
