

# Custom Menu Links

## Step A: Add Menu Links

1. From the BrightView menu, go to the Menu Links settings.
2. Add a few test links, for example: School or district website, calendar, lunch menu, Parent Portal.
3. Give each link a clear title and URL (make sure to include https://).
4. Reorder if necessary using the drag handles on the left.
5. Save your changes.
6. Repeat for any Groups/Buildings, links will be organized accordingly.

The screenshot displays the 'ParentHub Menu Link Customizer' interface. At the top, there's a 'Users' dropdown menu set to 'BA Demo High School'. Below this, a section titled 'ParentHub Menu Link Customizer' provides instructions: 'Add and modify links using the interface below. These links will appear on the Menu tab in the ParentHub mobile app.' A green '+ ADD LINK' button is present.

Order	URL	Title	Icon	Actions
⋮	<a href="https://www.badhfalcons.edu/calendar">https://www.badhfalcons.edu/calendar</a>	Falcons School Ca...	Calendar	EDIT DELETE
⋮	<a href="https://www.badhfalcons.edu/classes">https://www.badhfalcons.edu/classes</a>	Class Schedule	Schedule	EDIT DELETE
⋮	<a href="https://www.badhfalcons.edu/artstix">https://www.badhfalcons.edu/artstix</a>	School Event Ti...	Ticket	SAVE CANCEL

To the right of the table is a preview of the mobile app menu. It shows a list of links organized by school building: BA Demo Schools, BA Demo High School, and BA Demo Elementary School. Each building has a list of links with checkboxes for selection. The bottom of the preview shows a 'Log out Olivia Brooks' button and a navigation bar with icons for FEEDS, CREATE & SEND, CHATS, and MENU.
