

BIRTHDAY CLUB

Stamp Me allows you to create a birthday club to engage with your customers on their special day.

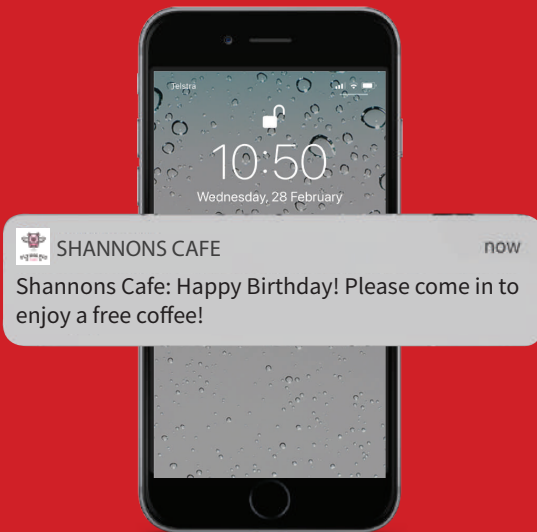

1

Customers are invited to join your birthday club and enter their details when they join your loyalty program.

2

Your special birthday message or birthday gift is automatically sent to the customer on or before their birthday. Your message can be either sent as push notification or text message!

3

The birthday gift is placed into 'My Rewards' in the app.
