ROLLER DOORS FOR SHEDS

*Enhance  
your  
shed with  
PR1ME  
doors*

# THE PR1ME COLLECTION

When choosing a roller door from the Taurean® PR1ME Collection, you're getting a door that's strong, reliable and offers real value.

A roller door with good looks and performance to boot!

## STYLE

Pr1me roller doors feature rounded panels of high quality steel finished in COLORBOND® steel in a wide range of contemporary colours, with sizes up to 3100mm high and 5400mm wide.

## STRENGTH

High quality spring system and strong curtain due to roll forming process ensures peace of mind and a smooth, quiet operation.

## SAFETY

Multiple safety features include track stops which ensure the door remains in the tracks even with rough treatment, an easy to use hand operated chain winder on manual doors and no sharp edges thanks to patented TauraEdge® safety guides.

## BALANCE

Beautifully balanced springing ensures the door runs smoothly every time, maximising its performance to 25,000 cycles – a lifetime of home use.

At Taurean® Door Systems we've designed and manufactured an exceptional range of strong and stylish doors and shutters and have the track record to prove it.

As a wholly owned subsidiary of Stramit, we draw on more than 30 years of industry experience to create high quality, Australian made doors for domestic and commercial garages, sheds and storage facilities.

### Long Life

Galvanised brackets, tracks and other components protect against corrosion ensuring a long life for your PR1ME doors. The springing system is designed for more than 25,000 cycles which maximises the performance of the door over its lifetime.

### Operation

Nylon braided edging, the moulded nylon drum wheels and the nylon bottom rail plug provide a beautifully smooth and quiet door during operation.

Taurean® PR1ME No.1 for springing means optimum life

### Weather Protection

Flexible sealing strip along the bottom rail prevents entry of dust and leaves.

### Reverse Roller Doors

Reverse roll roller doors are available when your project calls for it, refer to the website for details.

### Automation

Taurean® supplies and recommends the Merlin and Grifco ranges of door openers. These door opener products offer security and peace of mind, and paired with their myQ smart home technology deliver powerful automation options.

### TAURAEDE® ROLLER DOOR TRACK

The safest roller door track available in Australia

Exclusive to Taurean® Door Systems, the TauraEdge® Roller Door Track is stronger, more rigid and safer than standard roller door tracks. The unique rolled edge design completely encases door guides, removing any risk of injury from sharp edges.

### Safety and Strength

The deep 21mm profile of the NovaTaur® roller door, coupled with the rolled edges of the TauraEdge® Roller Door Track, provides the ultimate combination for roller door safety and strength.

### Warranty

For domestic installations only, a 12 month warranty on the door excluding any corrosion due to the proximity of any salt water or if the door is not installed in accordance with the installation instructions. For more details please refer to the Taurean Door Systems website [taureands.com.au](http://taureands.com.au).
