

FREE Health Fair Tool

Put your groups on the fast track to having a first-rate health fair with minimal effort (less than 5 mins of your time) required by you or your client.

List Your Client's Health Fair

When you have a client that's interested in doing a health fair, list it on healthfairconnections.com.

HFC Gets Vendors

When a new health fair is listed, HFC gets tons of local vendors to express interest in your client's event.

Give Your Client Access

Give your client access to the health fair dashboard allowing them to pick only the vendors they want!

What's required of me and my employer group?

Invite your own health fair vendors. Your client may have relationships with vendors already. HFC has a special invite tool to make it easy to invite them to the event.

Get employees to participate. Your client can create awareness by spreading the word and downloading HFC's Save-the-Date Event Flyer (customizable).

Secure the venue, tables & chairs. Coordinate with your facilities manager to secure the venue (lunchroom, conference room, lobby), as well as tables and chairs.

HOW DO I GET STARTED?
