Introduction

The **EDI Code Table Guide** defines specific codes used in the import interface process for the MCOs Humana, Staywell, and Sunshine Health, particularly for the following fields:

- MCO/Payer ID Code
- Visit Edit Reason Code
- Visit Edit Action Taken Code
- Missed Visit Reason Code
- Missed Visit Edit Action Taken Code
- Duties Code
- Procedure Code

Refer to the applicable Homecare EDI Import Interface Process Guide for full details and interface instructions.

This guide is updated on an ongoing basis as system capacities are implemented and additional functionality becomes available.

EDI Assistance

If additional assistance is needed, please submit a ticket to EDISupport@hhaexchange.com. Cases are escalated to the EDI Production Support queue. An available Support Team Member will contact you directly to assist.
