HISTORIC DISTRICTS COUNCIL

23<sup>rd</sup> Annual Preservation Conference  
Saturday, March 4, 2017

232 East 11<sup>th</sup> Street  
New York, NY 10003

Join the Historic Districts Council for our first-ever Participant-Driven Preservation Conference: **Open to the Public—Making Our Story Heard!**

New York City is home to the country's first municipal plan, strongest landmarks law and largest preservation community... so why does real estate development drive municipal government?

This day-long Conference will dive into campaigns to preserve communities throughout the city, with sessions led by the participants themselves.

Host a public discussion about a preservation issue or campaign you care about, and attend open sessions to learn what other grassroots activists are doing to take back our city!
