

### **Hodges University PTA Program Graduate Goals and Outcomes**

PTA Program Graduate Goals and Outcomes:

Upon graduation from the PTA Program at Hodges, you will be prepared to work as a Physical Therapy Assistant with skills in the following areas:

1. The ability to provide professional, safe, competent physical therapy services required of the entry level PTA.
2. The ability to apply critical thinking skills and research ability to comply with best practices.
3. The ability to recognize and treat a variety of patients in a professional and culturally sensitive manner.
4. The ability to communicate both written and verbally in an effective and professional manner.

In short, you will be ready to take on a position treating others while you achieve your career goals
