Trusting in God for Peace

Trust is at the heart of experiencing true peace of mind. When we trust in God with our worries and fears, we hand over the stress that weighs us down and embrace His calming presence. Trusting God means letting go of our need to control and instead relying on His greatness and love. We learn that embracing God's promises and trusting His plans lead us to a peace that defies our understanding. Let's take this opportunity to strengthen our trust in His guidance and draw nearer to Him in all circumstances.

May the God of hope fill you with all joy and peace as you trust in him, so that you may overflow with hope by the power of the Holy Spirit.

—Romans 15:13

PEACE IN PRAYER

Prayer is a powerful tool in our journey toward peace of mind. When we communicate with God, we invite His peace into our lives. Through prayer, we articulate our worries, fears, and concerns, entrusting them to Him. The act of sharing our burdens with God can alleviate stress and promote an inner calm. Let's remember that prayer isn't just about asking God for help; it's also about listening to His wisdom and feeling the release of tension as we lay our troubles before Him. We can create an ongoing conversation with God that nurtures peace in our hearts, even amidst life's challenges.

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.

GriefShare Class

So many people in the world have experienced significant losses in their lives, so we're thankful to be able to offer this **GriefShare Ministry**. It is organized around a thirteen-week small-group program where participants meet together for around two hours each week and watch professionally-designed videos featuring professional grief counselors and also people who are grieving. These presentations are coupled with discussions that are designed to internalize what participants learn in the videos. **This class will begin on Saturday, August 15, from 10:00 a.m. to 12:00 noon.**

We have additional information for GriefShare Sessions offered on other days and times in the Birmingham area. Please see **Harold or Donna Rhodes** if you have any questions regarding GriefShare. You can also find additional information at <https://www.griefshare.org/>.
