## Experience

### **FREELANCE EDUCATIONAL VIDEO EDITOR, FOUNDR; REMOTE – 2019 - PRESENT**

Edit premium video courses—on topics such as content marketing and e-commerce—taught by entrepreneurs with 7 and 8-figure businesses. Transform 3-camera shoots into polished 6+ hour courses of 40-50 lessons complete with instructional text and educational motion graphics.

### **LEAD EDUCATIONAL VIDEO EDITOR/PRODUCER, BIG THINK; NEW YORK, NY – 2016 - 2019**

Created hundreds of video lessons—on business and self-development topics such as communication, productivity, and wellness—taught by the world's top experts, from Navy SEALs to Fortune 500 CEOs to Emmy Award-Winning actors. Guests included Elon Musk, Richard Branson, Tim Ferriss, Barbara Corcoran, Bill Nye, Deepak Chopra, Arianna Huffington, and Bryan Cranston, among many others.

### **VIDEO EDITOR/PRODUCER, MSG NETWORKS; NEW YORK, NY – 2014 - 2016**

Earned one New York Emmy Award and six nominations in multiple roles for Knicks, Rangers, Devils, Islanders, Red Bulls, and Giants coverage, from editing post game interviews in a fast-paced newsroom environment to shooting athletes and network talent in content for web, mobile, and TV.

### **DOCUMENTARY EDITOR/DIRECTOR, H.O.P.E. WAS HERE; LIMA, PERU AND BOSTON, MA – 2011 - 2015**

In association with Creative Visions Foundation, won \$1,000 production grant, filmed two weeks in impoverished Lima, Peru, whittled down 100+ hours of footage, and took this one-hour debut documentary to festivals and colleges worldwide, and then to Hulu, Amazon, and Vimeo-on-Demand.

### **VIDEO EDITOR/PRODUCER, STARTUP HEALTH; NEW YORK, NY – 2013 - 2014**

Helped secure funding from investors Steve Case, Esther Dyson, and Jerry Levin by shooting and editing 500+ hours of multi-cam interview and event footage into video podcasts and sizzle reels featuring healthcare luminaries, all delivered on high-pressure deadlines at a lean startup.

### **VIDEO EDITOR/PRODUCER, BOSTON UNIVERSITY; BOSTON, MA – 2009 - 2012**

Grew BU College of Communication (COM) application numbers 15% to an all-time high by conceiving, producing, and editing 2 seasons and 18 episodes of the doc/reality web series "COMlife," which followed three students on their entire four-year college journey from move-in to graduation.
